CITY IMPROVEMENTS PASS

WHAT'S GOING ON AROUND TOWN

By BILL KATZ

Back in 1936 a 15-year-old juvenile got in a scrape with Daly City police. He was reprimanded and released.

Then, early this month, Chief W. W. Sunderland saw the former Daly City resident's name in a paper. The former juvenile (now a man of 30) was being held by San Francisco police on a burglary charge.

Working on a hunch Sunderland and Sgt. Roy Beecher went "down town" to see the self-confessed thief. After a short talk, another crime was solved.

The burglar admitted "knocking over" Sgt. Bill Bolger's home December 30. He didn't know, until he'd entered the house, that it was the home of a policeman.

Thus, after 16 years, Chief Sunderland remembered a name. But not so hard, when you consider the former Daly City resident goes by the title of Tommy Gunn. So help us, that is his name.

There are several large clocks on Mission street all pointing out the time. Why doesn't someone take time to set some of the clocks? With one exception they were all off by several minutes.

Later this month a modest, bronze plaque is to be put up outside the door of city hall. As the workman was drilling the holes for the plaque last week, we heard one cynic remark: "What's the use, in a few years it will be blown off by an atom bomb."

The plaque bears the names of the men who died in World War II. The cynic is a former infantryman, holder of the coveted Silver Star medal.

Signs of the Time: Political candidates talking with several merchants in Daly City about items other than merchandise . . . Daly City's Safeway store is closing down, and it looks for good . . . Poetry submitted to the Record, several days before March 21, the first day of spring . . . The pleasant odor of corned beef and cabbage coming from kitchens where spaghetti usually boils . . . A drop in the sale of aspirin and bank accounts now that March 15 is past.

Officials of PG&E have a way of looking into the future. Last Wednesday this paper received a notice from PG&E that kite flyers are a potential menace to high power lines. Thursday, a kite flyer shorted a high power line with his kite, cutting off electricity in this area for almost two hours.

Come spring and most of us would rather play than work. But not so Bob Moore, janitor at Our Lady of Perpetual Help School.

Bob is a man who believes: "Unless I put in a good day's work, I just don't feel right."

And he's not just talking. Besides being a handy man with boilers and brooms, he has a wonderful voice for singing ballads. Recently Bob sang his ballads down in the International Settlement and made almost as much money in one night as he makes in one week at OLPH. He could sing for a living, but he doesn't consider that proper work.

Kite Knocks Out Power In Daly City Thursday

A boy with a kite shorted an 11,000-volt PG&E line at 3:30 p.m. last Thursday to knock out power in Daly City for over two hours.

According to PG&E officials, the unidentified boy got his kite tangled in the high power line at Sickles and Huron. The kite string drew two lines together, shorted them, and knocked out Sub Stations No. 1 and No. 2 at Acton near Mission.

The boy was uninjured, but his kite severely damaged both stations.

Until the last repair was made at 6:03 p.m., some 50 per cent of Daly City was without electric power. Power to San Pedro Terrace was also cut off until 4:08.

Thanks to the kite flyer, presses at the Daly City Record came to a halt, and much material for last week was not printed. However, these stories can be found in this week's Record.

Edgewood Terrace Association Drive For Members Opens

A campaign to gain more members was started officially this week by the Edgewood Terrace Civic Association, Doris J. Bach, secretary, announced today.

Mrs. Bach sent out a letter to residents in Edgewood Terrace and Hillside Manor outlining the activities of the organization. She was authorized to make this move by the membership drive committee that met at the home of Mrs. Carl Berg Tuesday night.

A "follow-up" door to door check will then be made by members of the organization.

Attending the Tuesday meeting were Mesdames Bach, secretary; Berg, chairman of the board of directors; Charles Keith, publicity and James Baird. Also present were Mr. Vincent Moran, association president and James Baird, chairman of the drive.

The "membership" letter sent to the residents reads in part:

"The formation and activities of a civic association such as ours is a democratic grouping of home people engaged and united to protect our rights as property owners or lessees from any encroachment upon those rights either by individuals or groups. It should be pointed out clearly that the primary purpose of this association is to sponsor and promote civic improvements for the benefit of the entire community.

"As a matter of interest, the association has sponsored and has been instrumental to a large degree in the promotion of the Daly City War Memorial and the City Recreation program. It has also sponsored and obtained action on improvements in our locality, such as:

Paving of Alp street.
Improving Vista Grande St.
More frequent sweeping of the streets.
Police protection for children crossing Hillside Blvd.
Improved handling of garbage pickup.

"Among future projects on the association's agenda, are:

Traffic control on Hillside Blvd. and Mission St.
Action to prevent further slides on dead-end streets in the Edgewood Area.
Recreation facilities in our area.

"It is the sincere hope of this association and its members that we may look forward to having you as an active member so that you, too, may participate with us in future civic improvements, particularly with regard to Edgewood Terrace and Hillside Manor Tracts.

"We shall look forward to seeing you at one of our meetings held the last Thursday of every month at City Hall at 8:15 p.m.

Daly City Reaches Half Way Mark In Red Cross Drive

Contributions to the Red Cross in Daly City have reached the half way mark of $1,000, Chairman Joe Lewkowitz announced today.

Lewkowitz was confident that the quota of $2,000 will be reached before the drive ends March 31. He thanked all those merchants and residents who have so generously contributed to this year's campaign.

The Daly City-Colma Lions Club has sent an endorsement to the local Red Cross Chapter, backing up the statement made by Melvin Jones, Secretary General, Lions International, "We have just looked over the accomplishments of the American National Red Cross during the past year, and are greatly impressed, not only by the imposing statistics but by the type of service performed. . . . I am confident the individual members of our more than 7,000 clubs in the United States will assist, as always, in this year's appeal."

Meanwhile, San Mateo county has reached the 40 per cent mark in the drive, with a total of $43,000 collected. The 1950 county quota is $108,000.

For one month out of 12 the Red Cross turns to the people for the funds which enable it to help those who turn to it for aid . . . disaster victims, hospitalized servicemen and veterans and their dependents with apparently insurmountable problems, to name but a few.

"All May Help" the Red Cross carry out its charter obligations to the government, in serving humanity.

Daly City Rod And Gun Club, Sportswomen Help Kids

These smiling members of the Daly City Sportswomens Club and the Daly City Rod and Gun Club were active attendants at the Huck Finn fishing pool during the recent San Francisco Sports Show. Back row, left to right: Al Speers, Gordon Sullivan, Harry Johnson, Bob Pollock, Dick Ryan, Percy Smith, Jack Loftin, Roy Caravantes, Mary Sullivan, Harold Pearlman, Ralph Harris, John Goolsby and Art White. Middle row, left to right: Ed Meirdling, Laurien Fox, Frances Nenstiel, Audrey Poft, Mary Shalkowski, Virginia Meirdling, Betty White, Lillian Taggert, Cecil Taggert, Mildred Winnen, Harold Purser, Armand Broulett, Glenn Broulett, Chet Flansburg. Front, left to right: Tom Rooney Jimmy Fox, Ed Nenstiel, Smokey Shalkowski and Jack Bailey.

FIND THE WORD CONTEST

Money, Groceries, Subscriptions Are Awards In "Record" Give-A-Way

Are you in on the fun? And it's worth your while, too. We refer of course to the red hot contest now going on in our publications called "Find the Word."

To get some of the easy pickings all you have to do is read through the advertisements and find the number of times the word "milk" appears, then telephone the Record, JU 5-3215.

First award will be a fat five dollar bill, second and third awards will be Dubuque picnic hams, valued at $3 each, offered by the Mission Cannery Sales at 6001 Mission St. and the Farmers Meat Co., 6386 Mission St., and three 3-months subscriptions to the Record.

However, there are two very important details with which you must comply. 1. Don't include the word "milk" found in the story columns of the pages. For instance you do not count it in this story.

Next, you may call ONLY BETWEEN 2 p. m. and 4:30 p. m. on Friday afternoon. All answers at any other time will not be accepted in the contest.

It should be explained that this is done in fairness to all of our readers. All copies will have been delivered by that time—in fact, in plenty of time for all to have gone over the edition thoroughly.

Now as to last week's correct answers (9 times), P. Romero, 930 Huron avenue will receive $5. Three 3-months subscriptions go to A. Berry, 502 Knowles avenue, J. De Matteis, 73 Bruno avenue, and Bille Adele Lamb, 182 East Vista avenue. They will be placed on our list of subscribers to receive the Record for three months.

Now don't miss this excellent opportunity to have some fun and at the same time acquire something worth while in doing it. Remember, there will be six awards for your efforts.

To maintain fairness, next week the details of "Find the Word" contest will be printed in the Shopping News.

Jeff High '42 Class To Hold Reunion

Plans are now underway for a class reunion for members of the June, 1942, graduating class at Jefferson High school.

However, before the party can be fully organized, it is necessary to have the names and present addresses of all those who were in the class.

If you, your relatives or friends, were a member of the class of '42, please call Alice Forest, now Mrs. Rulison, at ATwater 8-0591 during the evening, or write her at 3924 25th street, San Francisco.

Mrs. Rulison and Fred Peters are organizing the reunion, and hope to have a dinner dance at some near date.

Shrine Presents DC Band With Scroll

Playing at the East-West Shrine games for the past 24 years, the Daly City band this week was given a suitable award for its work.

On behalf of the Shrine, the Islam Temple presented the band with a beautiful scroll. Signed by William Coffman, managing director, the scroll was a reward of merit for the band's participation in the football games for the past 24 years.

Staged every New Year's Day for the benefit of crippled children, the East-West game features a pageant between halves in which the Daly City band participates.

Short Council Meeting Monday

A special, short meeting of the city council has been called for this Monday night, Mayor Paul Green said today.

The council will consider grading plans for Marchbanks park and possibly two other parks. If the plans are complete, bids will be called for the work, Mayor Green said.

Also bids will be called for a new pump to go in the well on Junipero Serra near Citrus.

The Westlake No. 3 tract is to be considered, and passed on by the council.

Trash Burning Ordinance Coming At March 27 Meet

The city soon may have a trash and rubbish burning ordinance.

At Monday night's council meeting Mayor Paul Green said the council was drawing up an ordinance to be presented at the next meeting of the council on March 27.

The mayor stated he had to have the recommendations of the fire and police departments before any such ordinance could be passed.

In all probability the law will set a time and day during the week when everyone may burn trash or rubbish. During other hours such burning will be prohibited.

This action follows a petition from 70 residents near Westlake, asking for some definite action by the council. Also, in last week's Record "Voice of The People" indicated that the majority of Daly City residents (especially women who put out washings) were in favor of such an ordinance.

All persons interested in this measure are asked to be present at the city council meeting, March 27 at 8 o'clock in city hall.

Second Amateur Auditions At D. C. Theatre Wednesday

Talent auditions for the big Lions Club show, May 5, are to be held again next week, March 22, at the Daly City Theatre.

All persons, young and old, interested in singing, juggling, acting, or any other thing which will entertain are invited to take part in the auditions which begin at 3:30 p.m.

Last week's turnout was good, and the names of those who will take part in the show are to be printed in next week's "Record."

Suitable prizes are to be given the winners of the big amateur show when it comes off May 2.

This is the third annual Lions Club show, and promises to be the best ever. In addition to the amateur show, there will be a top flight movie on the screen.

Further developements in the event will be reported each week in the "Record."

Tickets for the show may be obtained from any Lion, or at the boxoffice.

Parents Show No Interest In Boys Club

E. W. Gray, Daly City Boys Club official, announced this week that only two persons answered his recent plea to reform the now defunct local boys club.

Thanks to the lack of interest on behalf of parents there are now 400 boys without an adequate place to play. They are the former members of the club that folded for lack of funds last month.

"I'd like to thank the two persons who called me," Gray said, "but it's going to take more interest than that to get the club started again."

Just what will it take?

Frank Lombardi has offered to let the boys use space over his garage for a club room. This would be at no charge to the club.

However, it takes money to keep a club operating. Gray figures that the club, once in operation, can raise most of the funds via dances, contests and so on. At the least, the club can reorganize with a $1 a month contribution from 300 parents. This would pay the wages of an instructor and buy some necessary equipment.

"Surely there are 300 people in this area who can afford $1 a month to keep youngsters off the streets," Gray said.

Anyone interested in contributing is asked to contact Gray at SU 1-3247 or JU 4-0098.

ATTORNEY BACKS CLUB

Meanwhile, Thomas Bocci, local attorney seeking election to the South San Francisco Judgeship June 6, today backed efforts of Gray to reform the club.

In a letter to the Daly City Record, Bocci said:

"Our city of Daly City has, like every other community, sought an answer to the problems of juvenile delinquency.

"True, it is not any more of a problem here than elsewhere, but where others have remained impassive Daly City has made efforts to solve the problem thru interested municipal government and citizens.

"Just recently a Boys Club was proposed and put in operation. Some 400 boys were to be accommodated. Now, many of those boys are wandering the streets seeking an outlet to their youthful zest for activity.

"Where else but the streets and the hangouts can they turn? Surely we have insufficient municipal recreation centers to attract these boys. Not one Boys Club but many are needed in our rapidly expanding community.

"Mr. and Mrs. Parent, you alone are responsible for the problem of juvenile delinquency, and you alone must find the answer. The recently defunct Boys Club is one of the answers. Its failure is a reflection on each parent.

"Not only is it your duty as a parent, but your duty as a citizen of this community to take an active part in the promoting of such an enterprise as the Daly City Boys Club.

"I urge you to revive the Daly City Boys Club.

"To E. W. Gray, Curly Armanda and those 20 or so parents who unselfishly devoted their time and efforts to the club, each parent should extend their many thanks for the fine work accomplished by them.

"But thanks alone is not enough. Thanks in the form of active help and participation in the program is what is needed. The Daly City Boys Club can still be revived and you are urged to call Mr. Gray or Mr. Lombardi at JUniper 4-0098.

"Do not be a party to the continued growth of juvenile delinquency by your impassive attitude to such a problem as presents itself to the parents of Daly City.

"Juvenile delinquency is a parental problem, and not a problem for the local police officer or the court. Your failure to act is a crime against nature, for which all parents impassive to the problem should be condemned."

Signed, TOM BOCCI

COUNCIL LETS WORK

Concordia Residents Agree To $110,000 District; Reject $4,500 Theatre Offer

Separating the issues of a drive-in theatre and an assessment district, Concordia residents Monday night authorized the city council to proceed with the $110,000 paving and sewer job in the northeast corner of Daly City.

The council immediately passed a resolution giving the contract for the work to Fay Improvement Co. of San Francisco. The improvements on some 260 lots are expected to be completed by late spring or early summer.

Also expected to be finished by that time is the outdoor theatre, bordering on Lowell and Guttenburg streets. Only then will the question come up whether or not the city has the legal right to block the company from using Lowell street.

(Earlier, councilmen said they would forbid the theatre from crossing residential lots to get out onto Lowell.)

With one eye on the exit, and another on the assessment district, the theatre company last Thursday offered property owners $4,500 toward the district. Condition of this offer was that the residents allow the theatre to use Lowell.

Monday night those present at the council meeting rejected the offer. Earlier the company had made an offer of $2,500 toward the district under the same conditions.

Still unanswered is this question:

Are the people in the area willing to settle the Lowell street exit if the theatre offers enough money?

Yes, say some of the property owners. No, say others.

Those who say "yes," assert that if the company had offered $10,000 they could use Lowell street without a battle. They point out that the theatre can use Guttenburg street and this will mean an undue amount of traffic on the one street. Why not, they reason, get the money and accept the inevitable?

On the other hand, those who say "no," assert that the theatre is a menace, in that some 1,000 cars a day will operate over the streets in the area and prove a traffic hazard. These people insist that the theatre should find some other exit.

However, on the side of "money" are the three big land owners, who earlier stated they are willing to let the theatre use Lowell if the price is right.

This resolves into: (1) The theatre offering enough money to settle the problem, or (2) A legal battle, in which it will be decided whether or not the city has the right to prevent the theatre's use of Lowell.

And any talk that the theatre may give up the whole project seems out of the question. An official for the company today estimated the cost of the theatre is well over $200,000. He also stated his company had a long lease with the Crocker estate.

Mayor Paul Green promised that before the council takes any action on the question, property owners in the area will be notified.

It was also brought out at the meeting that the city can not extend the assessment district into San Francisco along Bellevue, as requested by several residents. However, Mayor Green said these owners could probably make arrangements with the same contractor for the work.

The only other business before the council Monday night consisted of calling for bids on water pipe. The bids must be in by March 27.

Politically Informed?

Read The "Record"

Believing it is in the interests of the general public to inform our many readers of all facets of local politics, the Daly City Record will print both sides of issues involved in the April 11 municipal election.

Each week this paper will bring its readers signed statements from men now running for office in the city elections. Each aspirant to office will be given an equal amount of space in the columns of the Daly City Record.

This paper requires only one thing of politicians, or those wishing to express an opinion—all statements must be signed.

The only thing we will attempt to influence our readers to do, is to vote. Regardless of for whom you mark your ballot, be certain to go to the polls April 11.

Giant May Day Celebration Here May 7th

Underway today are plans for the biggest May Day celebration in Daly City's history.

The event is to be held May 7 and will feature a parade and pageant at Jefferson High school.

Tentative plans for the affair were drawn up at a meeting of PTA officials, Girl Scout representatives, Recreation Department heads and the OLPH Mothers Club, Tuesday night.

At that time Elman Rose was named to head the overall celebration. He is to be assisted by Earle Johnson.

Also, it was decided what procedure will be employed to choose a young queen for this year's May Day affair.

Sometime later this month students from each classroom in the five Daly City schools will be asked to choose a queen. Then the school as a whole will choose a queen.

Names of the five will be placed in a hat. The first four names drawn will be the queen's attendants, and the remaining name in the hat will be the queen.

As usual, this year's queen will be between six and eight years old. She will be trained for her roll by Bunny Carroll.

Chairmen for this year's event include: Queen committee, Louis Adami, chairman; Lee Miller, Cecil Saarinen. Program, Earle Johnson, chairman; Violet Ennis S. Schroeder. Stage: Ed Cavagnaro, chairman; James Hines. Concessions: Erwin Schmidt chairman; Ann Eason.

Trust The Bucket To Put Out A Fire

What does it take to put out a fire?

Last Friday, the four Daly City red wagons, plus the one from Colma, plus the fire engine from the county, headed toward the San Francisco Hog Ranch to put out a fire.

A few minutes after the report had been called in, Chief of Police Schmidt in Broadmoor radioed that only one fire engine was needed.

Then, after five of the six trucks had been turned home, Chief Schmidt really put the damper on the "four-alarm fire."

"I just put out the blaze with a bucket of water," Chief Schmidt said.

The blaze, it appears, was only a small fire confined to a pile of shavings in one corner of the hog ranch.

BATTYE - SMITH - NENSTIEL STATEMENT TO THE VOTERS

Challenging the election - eve plea of the present city council majority to "Keep a good administration on the job," opposition candidates Mel Battye, Ed Nenstiel and Hugh Smith Jr. today called the claim a fallacy and a delusion and offered facts "which will completely disprove any such attempt to fool the voters."

Councilman Battye and former Councilman Smith, together with Nenstiel, operator of the Daly City Hardware Store, are opposing the incumbent majority of the city council at the April 11 election on a program of restoring decency, integrity, economy and fair play to the Daly City government. Today they cited city records for the purchase of property for the new War Memorial in their effort to disprove "anything that even slightly resembles good administration in city government."

In a combined statement, Battye, Nenstiel and Smith said:

"Facts in regard to the purchase of property for a War Memorial site will show the people just how good the present majority administration of the city council has proven to be. Previous to 1948, at the time the present city council stepped into control, Mayor Battye and Councilman Smith spearheaded the purchase of lots for use as the memorial site.

"During the time prior to 1948, the city bought 42,000 square feet of needed property at an average cost of 45c a square foot.

"Since the present majority took over in 1948, they have purchased 13,175 square feet at an average cost of $1.70 a square foot.

"The present council majority control paid just about 300% more for property of the same description and in the same location as that bought under Mayor Battye and Councilman Smith.

"Let's not forget either, that under the terms of the present memorial and recreational bond issue of $396,000 we will pay an additional $157,000 in interest. Is this another example of the council majority's claim of 'good administration'?

"What is there about these procedures that shows any good administration on the part of the present majority of the city council now asking you to keep them in office?

"It would be interesting for the taxpayers of Daly City to drop into the city hall and learn who were the real estate firms and individuals favored by the exorbitant prices paid for these lots by the present council majority and just what are their connections with the present regime. The information certainly would be enlightening, especially on the eve of the April 11 city election.

"This same policy is being carried out in the purchase of land for recreation. Is this the sort of 'progressive' administration that the citizens of Daly City deserve?

"We don't think so and that is why we are candidates."

HUGH H. SMITH JR.
MEL BATTYE
ED. NENSTIEL

HOLLYWOOD VISITOR—Mrs. Eleanor Roosevelt, making one of her rare night-club appearances, chats with actress Janet Blair, who is a friend of the former first lady. Mrs. Roosevelt asked that her party be given at a table in a quiet corner.

Letter To The Editor

(Ed. Note — Last week we received an interesting letter on a plan to help the farmers and artists. We would like to publish this, but require the name of the sender. Will he or she please contact the "Record" by calling JUniper 7-4321. Remember, all letters are welcome, but they must be signed.)

Words Appreciated

I have read many community papers, and think the Daly City Record is the very best.

I enjoy it very much.

MRS. P. MORALES
1163 Brunswick

Niantic Street Couple Want Burning Day

We are very desirous of having one day per week as "Burning Day," with specific hours.

We would appreciate the cooperation of your office in publishing our cause.

Mr. and Mrs. H. J. McDOWD
672 Niantic

(Ed. Note — This was topic of "Voice of the People" in last week's Record.)

Gentlemen:

We recently have moved from San Francisco into a new home in the Westlake tract. We are proud of our new home, pleased with our neighborhood, and we were prepared to interest ourselves in Daly City activities and politics.

After living here for a few months, however, we have found that our Westlake addition is about as welcome in Daly City as the plague.

It seems to us that Daly City should be pleased with the additional taxes it will receive, the new businesses, the additional population, and with an outstanding residential section; but this does not seem to be the case.

I not only express my own feelings, but the feelings of most of my neighbors.

Perhaps you should cast us adrift, and well see what can be done about incorporation with San Francisco.

Sincerely,

Mrs. Judith George

Known as the "Gateway to the Air Force," Lackland Air Force Base, near San Antonio, Texas, is the major basic training center for all airmen and WAFS.

The heliocopter has proved an invaluable aircraft to both the Army and the Air Force, where it is used for liaison and rescue work as well as for short-range cargo and artillery spotting. A heliocopter school is operated at Sheppard Air Force Base, Texas.

GAGGERO - GREEN - KENNEDY STATEMENT TO THE VOTERS

Striking out on the initial leg of their campaign for re-election to the Daly City council this week Mayor Paul Green and Councilman A. J. Gaggero called attention to the constructive program adopted by them and James H. Kennedy. Kennedy is paired with the two incumbents to form a three-man ticket, dedicated to making Daly City the best city in San Mateo county.

As in two previous elections this one is expected to center around annexation.

The two incumbents and Kennedy have been champions of progressive measures designed to make Daly City one of San Mateo county's largest communities. Their program is designed to make Daly City known as a city of fine homes.

5,000 NEW HOMES

The Westlake area will add 5,000 homes to Daly City in the next few years. All of these homes represent a gain in assessment figures, leading to lower taxes.

The houses are valued above the average price of new homes in this area and represent a stable income group.

These new people are expected to add greatly to Daly City's economy.

In the past, the Smith-Battye combination have opposed new developments. They are opposed to this platform of the Gaggero-Green-Kennedy ticket.

In commenting on the value of annexation Mayor Paul Green stated, "Smith told the public that annexation of the Westlake area would add to your tax bills. Through careful planning your present city administration has been able to add to the public services. Even though we increased public services we were able to LOWER taxes, despite Smith's prediction to the contrary, 12 cents per $100 of assessed valuation. From these facts it would appear that Smith has publicly admitted we are better managers for the city than he would be. I'm sure our progressive planning will result in our election."

MANY ACCOMPLISHMENTS

Campaign literature that is making its appearance in Daly City in behalf of the Gaggero-Green-Kennedy combination reveals many improvements in the past two years.

Listed in the material being handed out by their workers are the following accomplishments.

1. Establishment of street signs in all sections of the city.
2. A free 24-hour ambulance service for residents. Daly City owns its own ambulance, the finest in San Mateo county.
3. Replacement of worn and broken sidewalks and curbs.
4. Fourth of July fireworks at Marchbanks Park.
5. Purchase of Christmas lights that resulted in making Mission street the outstanding decorated street of this area. Another "first" for Daly City.
6. Construction of traffic signals at School street and Junipero Serra.
7. New water supply facilities. The new well has doubled the city's water supply, and at no increase in tax or water rates.
8. Annexation of new sub-divisions including Westlake, Hillside Manor and Garden Valley. Good for business; good for you!

MANY PROJECTS STARTED

The Gaggero-Green-Kennedy literature also cites a number of projects which are now under way. They are:

1. Establishment of a larger post office; bids to be called within 30 days.
2. Imminent purchase of 16,000 square foot site for a new federal post office building, with construction expected in next two or three years.
3. A $63,000 project that will result in new lane separations and traffic signals at the top of the hill and at Market and Mission streets.
4. Installation of Mercury high lumen street lights the entire length of Mission street in the very near future.
5. Near completion of arrangements for federal funds to prepare plans for a sewage treatment plant.
6. Final arrangements on 10-acre park site in Westlake area to be paid for entirely with funds from the new area.
7. A $396,000 recreation program that will see erection of a Community Center at Alp and Mission streets this year. In addition plans are nearing completion for five other parks.
8. Joint study of traffic safety needs for pedestrians on Mission street. This study is being made with officials of the State Highway Department. It will result in additional traffic signals on Mission street.

WANT TO COMPLETE WORK

In seeking re-election Mayor Green and Councilman Gaggero declare they fear many of the projects begun will suffer if turned over to their opposition.

It has been pointed out that the Smith-Battye combination has been avowed foes of annexation. They circulated petitions opposing the addition of new homes. In addition, they carried on "underground" activity in opposition to the 1949 Recreation bond issue.

"It would seem inadvisable o turn over completion of a program to those who were in opposition to its passage," declared A. J. Gaggero, former mayor.

During an interview Wednesday the Gaggero-Green-Kennedy ticket stated they would continue operation of Daly City affairs on the same progressive basis as proved in the last two years.

When asked to comment on recent stories published by their opposition the Gaggero-Green-Kennedy ticket issued the following statement: "We believe, with the majority of residents of this city, that it is a good city. We are making every effort to improve public services. We are sincere in our feelings. We deem it poor taste for candidates to the city council to attempt to blaspheme the name of the city they seek to represent.

"We propose to continue our campaign with a constructive program which will present the problems of a progressive city to the voters. We'll ask your support on the basis of our program and previous record of public service.

"Daly City residents are not going to be fooled by desperate name-calling candidates. That is why more and more civic-minded individuals are helping us in the fight to expand Daly City."

Signed:

A. J. GAGGERO
PAUL GREEN
JAMES H. KENNEDY

AROUND THE VILLAGES

with Verna Duste

Retrospect is a very handy attribute at times — especially at this time of year, when the Annual Meeting of the Broadmoor Property Owners Association is only two months away. This year there will be three vacancies (at this writing). Two one-year terms will expire, and there is one resignation thus far.

Naturally, these vacancies will be filled, and if last year's well-attended meeting (well-attended that is — 137 people out of a possible 1300, but that's "good" for Broadmoor) is any criterion, the turnout should be even better than last year. The voting should be brisk, and we hope that the resultant Board respresents as good a cross-section of the Village as does the present one.

The outgoing Board has been a busy one — among other things, it has set up a permanent set of books for the Association, built an addition to the Community Center (for storage purposes and office space) bought some office equipment, and hired a clerk.

The various members of the Board have brought to their work a great deal of zest and interest which does not seem to have flagged greatly with the passage of ten months. In view of the almost total lack of interest on the part of the majority of Broadmoor residents, such Directors as Hager and Jenkins are to be highly complimented, Jenkins it was who handled the ramifications of the tract restriction snarl, and secured the assignments from the Stonecrest Corp. Hager gave yeoman service in the recreation field—planned out each piece of equipment to be constructed on the "proposed" MacArthur drive playground.

On the other hand, the bus situation, an extremely ticklish one, was most satisfactorily handled by Hanrahan and Jenkins, who gave unstintingly of their time and effort, and left no stone unturned in their efforts to secure adequate transportation for the people of Broadmoor.

The Community Center, now in the capable hands of Manis, goes on to more and more rentals, and now boasts a janitor. The new addition is most pleasing to the eye (and the office space most welcome, at least to the crowded den of the secretary!!)

The erosion problem, one of the most pressing of the year, was successfully handled by Manis and Jenkins, who correlated the data given them by affected residents, and launched a bombshell that resulted in action being finally taken in this critical matter. In this regard, our chapeau is doffed sincerely to "Cap" Grant, who really stirred things up in Broadmoor.

Our worthy president, Howard Richardson, fought to a conclusion the water rate crisis, and handled most of those picky matters which call for concise thinking and prompt action. One of these situations was the rusting of the street signs — not yet six months old. Richardson saw to it that these signs were replaced and remounted.

Our "Village Housekeeper" Toschi knows every street in Broadmoor — and well, too! He made a personal check of each tree (or lack of one) in the village, and secured the services of a gardener to replant where necessary, stake, and prune.

Of course, behind the scenes of any organization of this kind are the wives — who "wolf" up those endless pots of coffee at committee meetings, bear the long evenings alone when hubby is out pacifying some irate resident whose unprintable dog is barking too unprintable much.

So — that's the story. Not all of it, to be sure, and with a great wealth of missing detail, but a thumbnail picture of what it takes to run an association such as ours —much work to be done, much more guff to be taken, but, after all, a lot of fun.

This is not a plea to turn out to the May meeting and put up some good candidates — substanitally the same group is interested in civic affairs, with (thank goodness!!) some of our new residents thrown in, who are becoming increasingly aware of and interested in "things Broadmoor.' This is simply a tale, plainly told, of people who think enough of the place in which they live to give, not money (not any more than the rest — 50c per) but that which is infinitely more valuable — THEIR FREE TIME.

So—keep an eye on the Record, we'll keep you posted as to the results of the May meeting — who knows, you may need one of the directors some time to do you a service, and when that time comes, it will help to know his name, now won't it?? Selah!

Cub Pack No. 84; Fathers To Attend Friday Ball Game

Participating in the sport of spring, members of Cub Pack No. 84 and their fathers will attend a ball game at Seals Stadium at 8 o'clock Friday night.

The game is sponsored by a San Francisco newspaper for all the scouts and cubs.

Meanwhile, the pack is now laying plans for the Cub-O-Rette which is to be held at San Bruno April 23. This celebration will begin with a parade at 12:30 p. m. which will march along San Mateo avenue.

After the parade, celebrations will transfer to headquarters of the San Bruno Cub Pack, where Pack No. 84 will have a candy and popcorn booth, an educational booth to display their work, and a game booth and comic show where they will dress and act the part of characters in comic strips.

This will be the first time the Northern San Mateo Council of Cub packs has worked as a unit.

CORRECTION

Last week on this page we reported Lake Merced Post No. 9921 American Legion had recently elected officers. This was true enough, but for the fact that the post is affiliated with the Veterans of Foreign Wars, NOT the Legion. Our apologies to the Lake Merced VFW post.

Colma Man Burglar Victim Wednesday

Victim of the latset burglar in the Colma area this week is Edward Woodhall, 458-88th street, whose home was entered Wednesday and $32 stolen.

The unidentified thief got into the house through an open kitchen window sometime Wednesday morning. He stole a toy bank from the kitchen which contained $27, and $5 from a dresser drawer.

Police report the thief overlocked some valuable jewelry in the bedroom. After taking the money the burglar evidently left by the front door, police said.

Legion Juke Box Dance Saturday

Highlights of this week's American Legion Post No. 824 activities will be a Juke Box dance at the Broadmoor Community center, Saturday at 8 p. m.

Admission to the event is free, and the public is invited to attend. Refreshments will be served.

Meanwhile, the post is planning an initiation of new members for Wednesday, April 5 at 8:30 p.m. Families of those to be initiated are invited to attend the ceremonies.

Conducting the initiation will be members of the 40 and 8 Ritual team.

Garden Village School Opens This Monday

Garden Village elementary school opens Monday, March 20, James Snell, superintendent of schools, said today.

Parents of children who are to attend the school will be notified this week, Snell reported. The school will handle youngsters from kindergarten through the fifth grade who are now living in Broadmoor and Westlake.

When the $115,000 structure opens Monday, only Crocker school will remain on "swing shift" schedule of classes.

Those children now going only one-half day at Jefferson elementary school now will be put on the full day schedule, Snell said.

And again Snell reiterated that children living in the Westlake area will have proper school bus service. Parents are to be notified of the bus schedule, Snell said.

School Gets Colma Land For $170,000

Paying five landowners approximately $170,000, the Jefferson Elementry school district this week obtained land in Colma for a proposed new school.

The payment followed a one-day court action brought against the landowners by the school. At the conclusion of the first day of the suit, the owners decided to settle out of court.

Involved in the settlement is roughly 15 acres, between Market and Hillside. This land is to be used for a lower and upper grade school in the Colma area.

One provision of the settlement is that hothouses now on the property may remain there for at least three years. James Snell, school superintendent, said this will interfere only slightly with plans for playgrounds around the school.

Defendants in the case were Angelo Micheletti, Dionizio Caserza, Giovanni Podesta and Assonta Podesta.

Sermon Topic Is Announced

"God's Heavenly Wedding Invitation!" is the sermon theme next Sunday at Lutheran Church of Broadmoor.

The services are conducted at Broadmoor Community Recreation Center, end of White street off 87th. Sunday school is held for boys and girls from 3-13 at 9:45.

The fifth of a series of Lenten services held at 7:30 on Wednesdays will be conducted March 22 with the theme: "Behold the Man in His Warning." Lutheran Church of Broadmoor cordially invites all who have no church home of their own and live in Broadmoor Village and vicinity.

Contribute Now To Red Cross

Have you contributed to the Red Cross?

No, well this can be done by calling:

For all Broadmoor residents: American Legion Post No. 824, in care of Commander Flanagan, JU 5-3649.

For all Garden Village residents —George Irvine, head of the Garden Village Property Owners Association.

For all Colma residents: Mrs. Pauline Brown, general chairman of the drive.

The quota for these three combined districts this year is $1,600.

RECOGNIZED AS AN ORATOR AND THE LEADER OF THE NEGROES IN AMERICA, HE USED HIS INFLUENCE TO PROMOTE HARMONY BETWEEN THE RACES AND TO ADVANCE THE COLORED PEOPLE EDUCATIONALLY AND ECONOMICALLY. HE DIED NOVEMBER 14, 1915.

The State of Virginia abounts with historic sites and proudly includes Booker T. Washington Birthplace Memorial among shrines. This marker is on State Highway 122, in the western part of the State, 26 miles south of Roanoke.

D'SAPPEARING ACT—Visitors to the California Academy of Science in San Francisco spend a lot of time in front of this tank of Turkey Fish. A spectacular breed, they measure about three inches and are distinguished by a dorsal spine which is extremely poisonous. They live under reefs which blend with their coloring which is normally pink with a white stripe. Can you spot the second fish in the picture?

Mrs. J. D. Hopper New Colma PTA President

By Mrs. D. J. Stookey

The Colma PTA elected a new group of officers at the general meeting, March 7, 1950.

They are: president, Mrs. J. D. Hopper; 1st vice-president, Mrs. John Dennis Jr.; 2nd vice-president, Mrs. Thomas Blanco; secretary, Mrs. Dale J. Stookey; corresponding secretary, Mrs. G. Hillyer; treasurer, Mrs. Gino Landi; auditor, Donald Pagani; parliamentarian, Mrs. Edward Dennis, and historian, Mrs. M. Pauline Brown.

Robert Moore, from the 17th District PTA Safety Committee, spoke on "Safety Education." He explained the "Safety Town" method being used to teach school children the safe way to use the streets. A driving course is being offered by the Safety Committee. If anyone is interested in driving lessons please call Mrs. John Dennis, DE 3-0890, for further information.

The members were pleased to have James Snell, superintendent of the Jefferson elementary school district, as a guest for the afternoon.

Mrs. Allan F. Mori, hospitality chairman, served tea after the meeting.

The Colma PTA executive board will meet March 21 at 1:30 p.m. in the Colma Community center.

The Colma PTA Sewing and Sunshine group will meet in the home of Mrs. Gino Landi, 88th street, Colma, March 28 at 1:30 p.m. Reservations—DE 3-3676.

Connecting Street Plans Continue

Taking action on the proposed connecting street between Broadmoor and Westlake, the County Planning Commission today called on the Jefferson elementary school board for a street plan.

In a letter to the board, the commission requested the trustees meet with them at the soonest possible time. James Snell, superintendent, said the board would take up the matter at their next meeting, March 23.

The commission took note of the board's rejection of the proposed plan to bisect the Garden Village school grounds. However, it stated some street would have to be found before White street can be abandoned.

Therefore, it appears the commission has made the decision for everyone — at least if an upper Garden Village school is to be constructed. For, in order to put in a new school, it is necessary to use the land dedicated for White street.

Chances are the plan to run a street 300 feet east of and parallel to White street will be adopted, although this means moving two houses off of 87th street.

STRICTLY FRESH

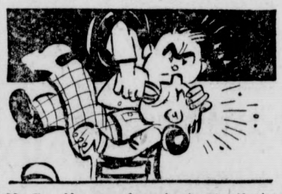
AN automatic pan greaser for bakers sells for about $3600. Say, that's quite a roll of dough!

* * *

Secretary of the Treasury Snyder says we will have a savings bond drive this spring "to stir interest." Well, it's the interest we're thinking of when we buy the bonds.

* * *

Dentists are one of the three largest professional groups in the



U. S. No wonder; look at all the pull they have.

* * *

There are more than 400 rubber parts in the average automobile. And still it's the pedestrians that bounce the most.

Removing Onion Odors

A little dry mustard or salt rubbed on the hands and then rinsed off will remove onion odors. To remove onion or fish odors from pans in which those and other odiferous foods have been cooked, wash the pans in hot soapy water to which one or two tablespoons of vinegar have been added.

Colma Cemetery Strike Looms

Activity in Colma may come to a "dead stop" next week, pending the outcome of a request by AFL Cemetery workers for a 10-cent hourly wage increase.

The executive committee of the San Francisco Central Labor Council is expected to hand down a decision on the strike at a meeting Friday night.

Eugene Guiney, business agent for the union, said members are requesting the pay boost, retention of present contract terms pertaining to rainy-day layoffs, and a welfare plan. The Associated Cemeteries of San Francisco so far have turned down the union request.

All 11 cemeteries in and around Colma are members of the employer group.

"Prayer" Is Topic Of Sunday Sermon

The third and final sermon on "Prayer" will be the topic at the Broadmoor Community Presbyterian church this Sunday.

Topic of the sermon will be "God's Part in Prayer." The Rev. John Glasse will deliver the sermon at 11 a. m.

Meanwhile, women of the "Nursery Roll" group will meet at the home of Rev. Glasse, 820 Larchmont drive, Friday night to discuss the organization. Purpose of "Nursery Roll" is to give parents information and educational guidance in bringing up children in the infant to 3 year old age group.

Chairman for the organization is Mrs. Jack Baumgartener.

Monday, Rev. Glasse will be host to members of Delta Phi, fraternal Presbyterian ministers group. The meeting is to be held in the church, followed by a dinner put on by women of the church.

Lions To Support Scout Camp

The Daly City Lions Club will not be supporting the Broadmoor Intermediate Girl Scout troop.

This was the decision made by the directors at a meeting Thursday evening. At that time it was decided that it would be better if the Lions supported the Girl Scouts as a whole, rather than a single troop.

Consequently, the Lions hope to share the cost of transportation of all Girl Scouts in the greater Daly City area to the local scout camp this summer. Further details on this plan will be announced at a later date.

Cub Den No. 15 To Attend Ball Game

The new Den 15, Den-mothered by Alice Tylenda, met for the first time last Monday, and what do you think they did? Planted a garden. Now there is something that ought to be fun. What a thrill it will be when the first litle green plants start to come out. And the weeds too.

The next meeting for Den 15 will be held Thursday instead of Monday of next week, and it will be sort of a party. The Cubs are to make cakes and take them to the meeting.

Friday night is "Father and Son" night at Seals Stadium for the baseball game and the Cubs will be guests of the Seals. The Seals are playing the Cleveland Indians. Suppose all you boys will go. By the way, did you ever see anything like the way Al and Irene Rosenberg fill up their car with kids for these events. Last night was tops. They had fourteen in their car. With a few more fathers and mothers willing to pitch in like that, Dens 15 and 16 would really flourish. How about it, parents?

Public Hearing On Colma Drive-In Theatre Today

Meeting today, March 16, at a public hearing, residents of Colma are to decide whether or not they want a $150,000 out-door theatre in their town.

The proposed drive-in site is near Woodlawn cemetery between El Camino and Junipero Serra boulevard.

Earlier this week Antonio Condi, Colma resident, filed a writ of mandate at Redwood City in an effort to compel the Colma city council to issue a building permit for the theatre.

The writ was directed against the entire council, including Mayor Peter Barsi and Councilmen John Newton, Earl Taylor and Bartley Flynn.

Application for the permit was made about two months ago. To date no one seems certain for whom Condi took out the permit, although well informed sources say it is for a large Peninsula chain of out-door theatres.

Several property owners, in addition to the Association of Cemeteries, are fighting plans for the theatre, and are expected to voice their opinions at today's meeting. These people believe the town should restrict its activities to cemeteries and related industry and business.

Broadmoor VFW Dance May 13

Decorated in the motif of a "Night Club," Colombo hall, Colma, will be the scene of the Lake Merced VFW Post No. 9921 annual dance May 13.

Tony Martin has again been engaged to furnish music for the dancing.

Tickets may be purchased from any VFW member, and will be on sale March 16.

This is only by way of a brief announcement concerning the dance. However, each week the Record will print data on the event.

Remember, support your Veterans Organization by attending the dance; and at the same time go to enjoy yourself.

ANNUAL MEETING MAY 5

Broadmoor Property Owners Assn. To Elect Officers At Get Together

May 5 is to be the day of the Broadmoor Property Owners Association annual meeting and election.

The date was set at the last meeting of the association, Thursday. This was the principal business transacted.

As a record crowd is expected to attend the annual meeting this year, it is to be held in Colombo Hall in Colma, rather than in the Broadmoor Community Center. Don Heager and Louis Manis are chairmen in charge.

By far the most important matter before the annual meeting will be the election of officers. There will be three vacancies on the nine-man board of directors this year.

Those who will vacate their positions are Pete Markovich., Al Toschi and Manis. Manis, for one, said he would not run again, and doubted whether or not the other two men would seek re-election.

Nominations and election takes place on the same night, with nominations taken from the floor.

Following the election, a "dance" will be held in the hall while the ballots are being counted.

"We hope everyone in Broadmoor will be present to take part in this evening," Manis said. "This gives everyone an opportunity to get together, and at the same time take a part in his or her government."

Further details on the meeting will be printed on this page from time to time through the next two months.

Meanwhile, only two other major topics were brought up at the Thursday night meeting.

First, several residents complained that they were still having trouble with erosion. Specifically J. Walter Thomas, 868 Beachwood drive, said he was not satisfied with action taken by Henry Stoneson, Broadmoor builder, to repair his yard that was washed away by the winter flood of rain, silt and mud.

The association promised to back Thomas in his "fight," as well as other dissatisfied land owners.

"On the whole, however, the erosion problem is a thing of the past," Manis said. "For the most part the trouble has been settled."

Heager, playground chairman, told the association that within the next 30 days he will seek signatures of persons living around the proposed playground in Broadmoor to allow the association to proceed with improvements in the area.

However, he said that unless all the signatures were obtained, he would see that individual donations of money were returned.

The association went ahead and put up a fence around the tot's playground at MacArthur and Midway, before it was found that some persons in the vicinity objected to the playground and refused to allow it to go in.

New "Religious" Vacuum At Broadmoor Church

On duty at the Broadmoor Community Presbyterian church this Sunday will be a new "religious" vacuum to replace the machine stolen last month.

As did the old vacuum, the new one will act not only as a cleaner but as a pump for the church's organ. Rev. John Glasse reports the new wind blower may turn out to be even a better church member than the older machine.

"We've rigged up several lengths of hose to the new vacuum, thus eliminating a pipe, which when connected to the organ often disturbed the sweet melody by a devlish whistle," Rev. Glasse said.

The new vacuum is the donation of L. Williams, manager of the San Bruno Kirby Company.

Meanwhile, Rev. Glasse reports that the Record's yarn on the stolen cleaner got as far as Japan. He says that a woman in Broadmoor called him yesterday, saying she had a clipping from the Stars and Stripes in Japan sent by her son. The clipping told of the theft of the "religious" vacuum cleaner.

Best way to spruce up a telephone is with a soft, dry cloth...never with water, or any other liquid.

HOW TO TREAT YOUR TELEPHONE

Suggestions to help protect your service

1. A twisted cord can lead to trouble. Although the wires are especially designed for flexibility, too many twists and kinks may eventually break them and interfere with service until a repairman can call. Good idea to get the curls out by letting the receiver dangle and unwind by itself . . . then keep them out by remembering, each time you call, not to put turns in the cord as you handle the receiver.

3. Did you ever stop to think that your telephone is one service or piece of equipment in your home that's repaired and maintained for life at no extra cost to you? This maintenance is one of the values included in the rates you pay for service . . . rates that make it one of your really good buys today.

2. It's built to take it . . . but your telephone can develop ailments if it's dropped. So make sure the stand it sits on is solid and is in a spot where it won't be accidentally bumped. Other ways to help protect service: Avoid "gadget" attachments for your telephone . . . keep cords clear of doorways where they may be pinched . . . and always keep water away from wires and fittings.

Your telephone is one of today's best bargains

The Pacific Telephone and Telegraph Company

Activity Calendar

FOR WEEK BEGINNING FRIDAY, MARCH 17, TO THURSDAY, MARCH 23

BOY & SEA SCOUTS

Friday, 7 p.m. — Broadmoor Troop No. 84, Broadmoor Community Center.

Thursday, 8:15 p.m. — Colma Vista Grande Aerie No. 1848, FOE, 3346 San Jose avenue.

Gen. Pershing PTA Comes Of Age

(This is the second, and final article to appear in the Daly City Record, wherein the history of the General Pershing PTA is traced from the beginning to today.)

By Mrs. E. K. Whinnen

In 1938 the children came into their own, entertaining the members at each meeting with plays, dances, songs, etc. It is a certainty these meetings were well attended. What mother doesn't love to see her child in there doing his "stuff." A cafeteria party was held for the volunteer workers. A typewriter was presented to the school.

W.P.A. sewing classes were held every day after school, with the help of the unit. A beautiful display of General Pershing children's work was presented this year. Books were presented to the school library, and plan of presenting books every year, called "The Book Shelf Idea," was begun. In November of this year a sewing club was formed to sew things for sale. In the past, all sewing had been done to help less fortunate people. Most of the unit's funds for the year were raised by this means.

1939 — General Pershing was on the honor roll of the 17th district, California Congress of Parents and Teachers, for blanket subscription to the Parent Teacher magazine by the executive board. The cafeteria was closed in March and reported that 3,500 lunches were served, of which 550 were free to needy children. At this time the paid-up membership was 86, and, of course, some of these members weren't active. The Sunshine committee had made 49 gifts to children and made numerous calls. During Public School week, refreshments were served to visiting parents. A tree was planted at San Mateo Junior College as a monument to General Pershing PTA.

Four pairs of shoes were purchased for needy children in 1940, and gifts given to sick children. A bazaar and food sale provided funds to send some underprivileged children to a summer camp at Big Basin. A series of parties were held throughout the year for the children.

1941 — The cafeteria was still being run by volunteer mothers, but W.P.A. women did the cooking. Free lunches were still served to needy children and four children were sent to summer camp with money raised through a paper drive and food sale. A Christmas party was held this year for the children and the teachers were each given hankies.

1942 — A whist was held to raise funds to refurnish the cafeteria. A home nursing class was started and well attended. The unit had grown to 150 members. A theatre party was held for the graduating class and a summer recreational program of picnics, hikes, etc. was begun. In four months children bought war savings stamps to the amount of $337.55. Miss Winifred McGrath became principal of the school this year. The cafeteria opened in November, with 10c lunches—free to needy children.

Cookies for the blood bank were baked in 1943 and $10 donated to the servicemen's club. Members also took turns as hostess to the club, serving sandwiches, coffee and doughnuts, which were donated toward book trucks for the servicemen in hospitals, in Alaska, for which the unit received a letter of "thanks." A $5 donation went to the T.B. association.

In the month of February, alone, in 1944, children purchased $1,026.35 worth of war stamps. Members collected the money and bought the stamps for the children. Members donated blood to the blood bank, and gave a theatre party for the graduating class.

1945 — The usual work was carried on, but 1946 was rather outstanding, with two important events brought about through the efforts of General Pershing PTA. It is hard to belive that up to 1946, General Pershing school had no lights in its classrooms, but such was the case. Through the efforts of the unit, lights were installed during the summer of 1946. Stop signs were installed at school crossings and policemen posted. Besides these two important events, a pledge of $25 was made to the sight saving class at San Mateo, $5, each, to the war chest, and T.B. association, $15 to the Sunshine fund, $2 to the Daly City food drive. A theatre party was held for the graduating class.

In **1947** the Mothersingers were organized. This was a group of mothers who got together, practiced and sang at various events. Silver was donated to the teachers for their lunch room. Monthly square dances were held at the Bellevue rcceration hall for the parents.

1948 — Two life memberships were given to members in 1948, and $5 was donated to the El Portal School for spastic children. This year also Telephone whists were inaugurated to raise money for the unit.

1949 — A stove was purchased for the school kitchen, also new silverware for the refreshment room. A $10 donation was made to the school for the hard of hearing children, and $10 for student aid. At Christmas time a radio was presented to the school for the benefit of the children. A kindergarten band entertained the members. Children from other classes sang songs. The Mothersingers sang also.

And this brings us to 1950, our 21st year. Today we come of age, and may we carry on in the fine spirit that was so marked in our beginning. Already this year, screens have been purchased for the kitchen and meeting room, and a desk for the use of the president, when presiding at meetings. Also a mimeograph machine for the use of the unit. It has been agreed to give two life memberships. General Pershing PTA marches on!

UNCLASSIFIED

Monday, 8 p.m. — California National Guard, Battery B, 149th AAA AWBN (SP), San Bruno Navy Base.
Tuesday, 8 p.m. — Daly City Band, No. 5 Firehouse, Oliver and Bellevue.
Thursday, 9-11 a.m.—Well Baby Conference, 7375 Mission. (The Well Baby Conference, conducted by the San Mateo Department of Public Health, is by appointment only, and limited to 25 appointments each meeting.)
Thursday, 8 p.m. — Board of school trustees, Jefferson school district, Administration building, 344 Santa Barbara avenue.

VETERAN GROUPS & AUXILIARIES

Tuesday, 8 p.m. — Auxiliary American Legion Broadmoor Post No. 824, Broadmoor Community Center.
Thursday, 8 p.m. — Daly City Post No. 410, American Legion, Legion Hall, 474 San Diego avenue.

WOMEN'S ORGANIZATIONS

Friday, 7:30 p.m. — Bethel Daly City No. 198, OPD, Masonic Temple, 17 Hillcrest drive.
Friday, 8 p.m. — Vista Grande Camp No. 6035, Royal Neighbors of America, Little Italy Hall, 6229a Mission street.
Monday, 8 p.m.—Crocker Chapter No. 382, OES, Masonic Temple, 17 Hillcrest drive.
Tuesday, 8 p.m. — Whist, Vista Grande Circle No. 253, Foresters, at the home of Mrs. Florence Bryant, 559 San Diego.
Wednesday, 8 p.m. — Daly City Sportswomen's Club, at the home of Mrs. Ed Nenstiel, 228 Hillcrest drive.

Cypress Circle Whist Game Cancelled

The usual whist game held by Cypress Circle No. 14, UAOD, will not be held this month, an official said today.

Those familiar with the Circle's whist games know they are usually held the fourth Wednesday of every month.

Unexpected business has necessitated calling off the game this month.

Baby Joins Hermosillos

Mr. and Mrs. Arthur M. Hermosillo, 599 San Diego, are the proud parents today of a baby boy. The boy, named Arthur William, came into this world February 26 at the Franklin Hospital, San Francisco. When he first bowed in, young Arthur weighed 8 pounds 6 ounces. This is the Hermosillo's first baby.

"Record" Reminiscence

From the "Record" 10 Years Ago
March 13, 1940

Less than one month away, on April 9, Daly City voters will go to the polls to select a city treasurer, city clerk, and two councilmen. This is one of the quietest election campaigns that Daly City has ever known. Running are incumbents Edmund F. Cavagnaro and John J. Fahey. Also seeking posts are Eugene V. Lynch and Herbert G. King.

Eleanor Saliou was adjudged winner of the first prize in the grammar school division of the Daly City Unit No. 410 American Legion Auxiliary essay contest. Robert Seiler was the winner at Jeff High.

Milo's Market played Universal Press last week in the Merchants Bowling league, winning two games and losing one.

The regular meeting of the Young Ladies Institute of Colma put on a play last Friday. Taking part were Marjorie Fuchs, Helen Bertini, Elizabeth Cattori, Martha Callan, Elaine Antrocoli, Alma Camengend, May Varni, Mary Conti, Mrs. Lenore Varni and Mrs. Raye Grondona.

New officers of the Colma PTA include Mesdames James Burgard, president; W. Willbank, vice-president; H. Remington Jr., secretary; A. Zanetti, treasurer; D. Agresti, parliamentarian.

Jeff Grads Make Good Record In Universities

Graduates from the Jefferson Union High School who entered the University of California have made outstanding records.

This fact is brought out in a letter to Stanford Hannah, district superintendent of the local school, from Dr. Hiram Edwards, director of relations with schools, of the University of California.

In his letter, Dr. Edwards states:

"During the last few months we have been working with the scholarship records of entrants to the University of California from the accredited schools of the state. We were pleased to note that the four students who entered the Berkeley campus of the University in the academic year 1948-49 made a grade point average definitely above the average for all entering freshmen. We are happy to congratulate you on the excellent college preparatory work which these students apparently had at Jefferson Union High School."

In the report sent out by the University, the results of a study of the five year period from 1944 to 1948 agreed with the record made by the above mentioned four students. Over the five year period, students from Jefferson consistantly maintained an above average stnding.

"The faculty realizes," stated Mr. Hannah recently, "that a comparatively small percentage of the students go on to university training. The work of the school, therefore, can not be measured entirely by the university. But this is an important group of students and the report at least indicates that this curriculum in high school is meeting its purposes."

The largest of all Indian celebrations — the Inter Tribal Indian Ceremonial — is held in mid-August each year at Gallup, New Mexico.

1,000 Disabled Vet Homes For Mills Land

Envisioned for the land between Burlingame and Millbrae is a $20,000,000, project for homes for paraplegic veterans, it was learned last week.

The 1,000 homes would be located on the Mills estate, close to factories and assembly plants where the disabled veterans would be able to earn their own livings.

Backer of the project is the National Foundation for the Rehabilitation of Disabled Veterans, a non-profit corporation which intends to build 20 to 30 similar projects throughout the nation.

Owners of the property involved, about 160 acres, are now being contacted. No date has been set for construction work to begin.

There are more than 7,500 miles of passages, drifts, crosscuts, tunnels and shafts in the copper mines at Butte, Montana.

Four Local Women Join Gray Ladies

At a recent candle light ceremony held at the Fort Miley hospital, four Daly City women received their Red Cross caps, pins and diplomas.

The women are: Genevieve Dinsmore, 239 Irvington; Charlotte Hamilton, 675 Evergreen; Vivian Mynett, 906 Hanover, and Peggy Wieger, 450 Winchester.

Many friends and relatives attended the graduation. Before becoming a "Gray" lady, a woman must take 50 hours of training. This qualifies her for various tasks with the Red Cross. All those who graduated are assigned to Fort Miley hospital.

The graduates are assigned to various shifts at the hospital to give personal attention to the patients and make their stay more pleasant. The "Gray" ladies write letters, see that the patients have reading material and generally comfort them.

Some of these "Gray" ladies are now busy assisting with the Red Cross drive in Daly City.

Students Assist Local Government

Giving an "assist" with city government this week are two students of the Coro Foundation.

The two young men are working for credits in public administration by going over various facets of local government. Through their six to eight weeks of study, Daly City will have the benefit of free, expert advice on certain reforms.

One of the students, Saul M. Weingarten, is working over the city ordinances to put them in code form. The other student, name not available, is going to make a survey of the persent administrative set-up.

The famed 1st Infantry Division —now stationed on occupation duty in Germany — is the oldest division in the U. S. Army today.

OLPH St. Patrick's Celebration And Dinner To Be Held This Sunday

Although some centuries and two days after the Saint drove the snakes from Ireland, the OLPH corned beef and cabbage dinner Sunday promises to be remembered for years to come.

The St. Patrick's celebration gets underway at 6:30 p.m. in the OLPH school auditorium. At that time members of the Holy Names Society will serve up the traditional Irish dish.

It is hoped that all good Irishmen, both of heart and blood, will make an appearance at the school Sunday to enjoy the event.

Following the dinner, there will be several Irish acts. (No Pat and Mike stories.)

Featured entertainment for the evening will be the dancers from the local Bunny Caroll school of dance. These young folk have been practicing for many a week to bring you the traditional steps of Ireland.

Chairman for the evening is Bill Carrington.

Tickets may be purchased at the school.

St. Patrick And D. C. Officer Note March 17

While every Irishman has a place in his heart, and a table loaded with corned beef and cabbage, for St. Patricks Day, there is one Daly City resident with a special interest in March 17.

He is none other than the good Sgt. Bill P. Bolger, day man for the Daly City police force.

It is on St. Patrick's Day that the sergeant also puts a birthday cake on his table with his corned beef and cabbage.

Born on the Saint's day, Sgt. Bolger took cognizance of the fact by naming himself Patrick — middle name, that is.

Sgt. Bolger won't reveal his age, but he is not at all bashful in admitting that he has little in common with the Saint except a name. However, it might be noted, that in his day the sergeant has done his bit to rid Daly City of no small portion of vermin, mostly of the two-legged variety.

D. C. Sea Scout Ship Offers Teen-Age Dance

A dance with a "salty" flavor will be offered this Saturday, March 18, for all members of Sea Scout Ship No. 144 and their friends.

The teen-age dance is to begin at 7:30 p.m. at scout headquarters, 255 Vista Grande. It will end at 11:30 p.m.

Under the direction of E. A. Swinger, skipper, the dance will be well chaperoned.

Music for the event is scheduled to feature all time big dance band favorites, a la phonograph records.

"We're doing our best to provide entertainment for the young men and women in this community," Swinger stated. "We hope all the scouts and their many friends will take advantabe of this dance."

Tickets for the event may be obtained from any scout, or at the door.

During the course of the evening refreshments will be served to all those present.

The Sea Scout ship is sponsored by the Daly City Lions Club.

Peggy Entertains

Peggy Wiejer, 450 Winchester street, holds a meeting at her home each Tuesday night for three other graduates of Jefferson High school. Last Saturday the young women gave a crab chapino dinner in honor of Sgt. Bob Schmalz, who left for Japan this week. Sgt. Schmalz was visiting with his aunt, Mrs. Gladys Faoro, 651 Evergreen.

Sportswomen Discuss Coming Fishing Trip

By Mrs. E. K. Whinnen

The regular meeting of the Daly City Sportswomen was held Wednesday at the home of Frances Nenstiel. Probably the subject of most interest to most of us will be the forthcoming trout fishing trip to the Sacramento River being put on by the Daly City Rod and Gun Club, with invitations to the wives and families to attend too.

Having had a taste of trout fishing, helping the kids down at the Huck Finn Pool, many of us would like to go all out and bring in some of the big ones in the Sacramento River.

The kids really had fun at that pool in the Sports Show. Most of the little fellows were rather scared of the fish after they were caught and didn't want to pick them up or touch them, but how they would dance around with delight at having hooked one.

Of course the Call-Bulletin and Associated Sportsmen, who sponsored the pool, had consolation prizes, but it takes a lot of consolation to make up for not catching a fish.

But we think the pool is a fine idea and the men from the Rod and Gun and the Daly City Sportswomen worked hard to help make it a success. And we hope all the kids who didn't catch fish this year will catch one next year.

The Petrified Forest National Monument was created in 1906 by executive order of President Theodore Roosevelt.

Chapel Of Lakeside Is Locale For Mosman-Fonner Nuptials

As the organ played "Here Comes the Bride" Miss Marilyn Jean Mosman was escorted by her father down the aisle at Chapel of Lakeside Saturday evening, March 4, to exchange "I do's" with Arleigh J. Fonner Jr. The double ring ceremony uniting the two in marriage was performed by Dr. Rogers at 7:30 o'clock in the evening before an altar banked with white flowers.

Marilyn, daughter of Mr. and Mrs. John A. Mosman, 232 Hillcrest drive, wore a simple, becoming long-trained cap-sleeved gown of white nylon double net skirt with an imported chantilly lace bodice and peplum and hooped skirt. Her bouquet was composed of white cattleya orchids and white denrobium orchids. An attractive net poke bonnet set with an orange blossom cluster held her finger-tip nylon veil. Matching nylon gauntlets completed the ensemble.

The traditional something old, new, borrowed and blue included a lace handkerchief worn by her mother at her wedding; her gown, something new; three garters, both borrowed and blue, one worn by a number of her girl friends in Daly City, another worn by her sister-in-law, and the other a gift.

Preceding Marilyn to the altar were four attendants, a maid of honor La Verne Torkelson, and four bridesmaids, Barbara Mattson, Pauline Loomis, Evelyn Mosman, sister-in-law of the bride. The girls were donned in dresses of white organdy over pale green taffeta. The gowns were fashioned with short sleeves, square necks, basque waists and full skirts over hoops. They, too, wore matching gauntlets and green horsehair braid picture hats.

Of a strinkingly different note were the attractive leis carried by the attendants. The maid of honor had a double lei of white carnations while the bridesmaids carried leis of pink.

Arleigh, son of Mr. and Mrs. Arleigh J. Fonner, Hilo, Hawaii, T. H., chose Harold Mosman as best man. John Mosman, Bill Freeman, and Frank Rehe served as ushers. All wore tuxedos.

For the occasion, Mrs. John Mosman chose a toast-colored lace gown with a brown velvet jacket. Brown accessories and a golden-brown orchid corsage complimented her outfit.

Mrs. Fonner chose an attractive gown of pink marquisette with white accessories and blue orchid corsage.

The bride and groom received guests at the Marines Memorial club before a fireplace banked with white stock. The serving tables, lined with candles, were attractively decorated with white stock and carnations. A four-tiered wedding cake centered one of the tables. Some 200 or more guests enjoyed an evening of dancing and refreshments.

The couple toured southern California and are at their new home, 3436 South Court, Palo Alto.

The new "Mrs." Fonner will resume work at the Matson Navigation Co. where she has been employed for the past several years. She is a graduate of Jefferson Union High school.

"Mr." Fonner was graduated from the Hilo High school, Hilo, Hawaii, T. H., and Armstrong's Business College, Berkeley, and at present is employed with the Fairbanks Morse Co., San Francisco.

Come To The Fair This Friday Night

All your neighbors who are going out tonight, March 17, are probably headed for the Grace Presbyterian "Family Fun Fair."

Why not join them? The party is being held at the church, Hanover and Evergreen, and gets underway at 7:30 p. m. You and yours are invited to attend.

The church is to be decorated like a county fair, and feature various booths with items on sale to please everyone from yourself to your mother-in-law.

In addition, games are to be played which should appeal to everyone. Adequate prizes will be awarded the winners.

The party is being sponsored by Circle No. 3 for the purpose of raising funds for a new church.

These same ladies have promised a delicious lunch for all those who attend.

Girl Scout Scoops

By Jane Keith

(Scout Scoopers who read this column should take special notice this week of our guest writer—and then pass the paper to their mothers! Mrs. James Hickey is the author and she has been helping out as assistant leader for Mrs. Kennedy, but wanted to do more and know more of what she WAS doing. She has written the first of five articles here for us and when mother says—"Well, she probably has lots of time on her hands" just remember that Mrs. Hickey is the mother of three children — one of them 2½ years old!)

The annual course in leadership of Girl Scouts in the northern San Mateo county area was inaugurated Thursday, March 2, at the Orange avenue recreation center in South San Francisco. Approximately 25 leaders and prospective leaders attended the event which has become the highlight of Girl Scout activities here.

Armed with notebook and pencils and a feeling similar to that we experienced on that first day of school many years ago, the writer set forth for said recreation center.

Upon reaching our destination we were met by many voices raised in song and joined in forthwith. We were urged to let ourselves go just as our brownies and scouts would do and after following this advice, things got better. Our director launched into her instruction by first introducing herself as Miss Passoneau. She outlined to us the function of a troop, the Girl Scout organization itself, the working of its local council, the central committee, its functions and its leaders for each area.

Miss Passoneau pointed to a group of ten cards hung on a wall and a series of pictures of Girl Scouts and their activities. Each card bore a key word or words each standing for one of the Girl Scout laws. Ten trainees were called upon to take a card and place it underneath the picture to which the law applied.

We were told to rise and formed a circle in the middle of the floor and tackled a Norwegian folk dance. Tackled is the correct word in view of our first clumsy efforts. (The high-heeled shoes we had unwisely worn didn't help any.) However, after a few false starts we enjoyed it and also the song that accompanied the dance.

Upon returning to our seats we discovered a little freight car made of colored art paper which had been placed on our chairs. Each car bore the name of a different country. We were asked to place our car on a circular cardboard track which had been set on a table. As we placed our car we were to pretend it was loaded with things which that particular country would welcome most if we were sending supplies. This proved very interesting and set our minds to working and your writer to wishing we were more informed on world affairs.

A brief discussion on the bags to be filled by scouts for "Schoolmates Overseas" wound up our first session. A final song sent us home with the feeling that we had just spent two hours in a very worthwhile manner. The sense of boredom which is attendant at so many lectures and meetings was entirely lacking, due not only to the fine instruction by our field director but interest of the subject itself.

The above reported course on "Leadership of Girl Scouts" consists of five sessions, one a week and is followed by a course in "Games and Rhythms for Girl Scouts" with two sessions.

Undoubtedly many of the women readers of the Record are interested in the Girl Scout movement and would welcome an opportunity to partake in constructive and interesting work of this nature. Besides the leadership course mentioned above there are kindred studies in outdoor cooking, woodcraft, outdoor camping and so on which will strike a nostalgic and responsive chord in the hearts of many women who recall their own participation in these events just a few years ago. Women interested in helping with this activity are most welcome and should get in touch with the Girl Scout office.

SOCIETY

D. C. Couple Mark Silver Wedding Anniversary

Married 25 years the first day of Spring, March 21, Mr. and Mrs. Kai Tonnesen, 778 Templeton, are looking forward to another quarter century of marital bliss.

Those neighbors living around the Tonnesens shouldn't be too surprised if at about 4 or 5 o'clock Tuesday morning loud singing and laughing eminate from the Danish couple's home. Mrs. Tonnesen fully expects that her friends will give her and her husband a silver anniversary in the style of the "old country."

According to tradition, when a couple has been married 25 years they not only receive gifts of silver but hundreds of well wishing friends from early morning to late at night.

Fully expecting an anniversary to remember, Mrs. Tonnesen has prepared for open house all day Tuesday. All her and her husband's friends are invited to attend.

The couple exchanged vows in Denmark in 1925. Shortly afterwards, in 1927, they came to this country and settled down in San Francisco.

For the past 12 years they have been living in Daly City. At the present time Mr. Tonnesen is employed as a car finisher in Redwood City.

The couple are also well known for their interest in civic affairs.

Mr. Tonnesen is a member of Colma Vista Grande Aerie No. 1848, FOE; Mt. Moriah Lodge of the Masons and, of course, the Tor Swedish Lodish.

When the couple aren't at home they can be found fishing in some remote section of the state. Both are great fishermen and Mrs. Tonnesen says they will continue bringing in the "big ones" during the next 25 years.

Betty Gelinas Weds John Denneen

Miss Beverly Frances Gelinas and John Paul Denneen Jr. were married February 12 at the Marine Corps School chapel. Father Lonergan officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. L. J. Gelinas, who resided in Daly City for 10 years, leaving here in 1947. Beverly attended Daly City schools and was well known in this area.

Beverly was given in marriage by her father.

The groom is the son of Capt. J. P. Denneen (MC), USN, and Mrs. Denneen.

Attendants were Mrs. Kevin Cochrane as matron of honor and Capt. Kevin Cochrane as best man.

Following the wedding, the bride's parents gave a reception in the Hunt Room at Waller Hall for 50 guests.

After a honeymoon at the Ponce de Leon Hotel in St. Augustine, and Orlando, Florida, the bride and groom will make their home at Green Cove Springs, Florida, where the groom is employed.

D. C. Band To March In Sunday Parade

Taking an active part in the big San Francisco St. Patrick's Day parade this Sunday will be the Daly City Band.

This group of fine musicians will represent Daly City in the march from the Ferry building up Market street.

Time of the parade is set for 2 p. m.

The local band is to march in the fifth division Unit No. 45.

George F. Brenner, bandmaster, urged all local residents to be on hand to cheer on the Daly City band.

Today's modern Air Force is a highly technical organization in which every man is trained to become a skilled specialist.

Teachers Assn. Holds Meeting

On March 9 the Northern California Schools Public Relations Association held the second of its dinner meetings at the San Francisco State College.

Members from all Bay Area counties came to discuss and exchange ideas and goals to make Public Schools Week the most effective, informative, and inspiring to teachers and to the public.

Our Daly City teachers and PTA were well represented: Mrs. James Snell from the parents' group; Superintendent James Snell, General Supervisor Hugh Falconer and Mrs. Falconer; and the following from the Classroom Teachers' Association: Mrs. Pauline Kagan, art supervisor; Miss Marjorie Tobias, Mrs. Hazel Caldwell, Mrs. Ethel Hahn, principals; Mrs. Otha Kinsey, president of the Jefferson Classroom Teachers' Association, and Miss Mae Varni, teacher from Woodrow Wilson primary.

Mr. Falconer was appointed chairman of the next meeting which will be held April 13.

OLPH Mothers Club Plans Fashion Show In April

The regular meeting of the Mothers' Club of Our Lady of Perpetual Help School was held in the school auditorium on Friday, March 10, 1950.

The meeting was called to order by the vice president, Mary Calegari, in the absence of the president, Teresa Sullivan, who was ill. Main business of the meeting was the detailed arrangement of the Spring Fashion Show, which will be held in the school auditorium April 22, commencing at 1:30.

Mrs. Isabel Liberti and Mrs. Katherine Ricci are heading the committee for tickets and reservations. Mrs. Elsie Thomson and Ruth Cresta, hostess committee, Ann Drury and Camille Clark, luncheon, Jean Denning and Mary Calegari, table arrangement, Alma Garibaldi, floral decorations, Teresa Sullivan, investment, and Valetta Ennis and Susan Schroeder, door prizes.

Mary Thiebaut was appointed hospitality chairman of the club for the remainder of the term. Mrs. Tielsmann resigned due to ill health. A repast of cake and coffee was served under the supervision of Mrs. Thiebaut, with the assistance of the second grade mothers.

The next meeting will be held Friday, April 14, 8:30 p.m.

Young Patten Baptised

Joseph Daniel Patten, two months old son of Mr. and Mrs. Joseph D. Patten Jr., 104 Los Olivos avenue, was baptised at Our Lady of Perpetual Help church Sunday, March 12. Godmother for the occasion was Mrs. Delbert King who is also an aunt of young Joseph. Edward Briseno, Joseph's uncle, was named godfather. After the baptism a dinner was held at the home of the grandparents, Mr. and Mrs. Joseph Patten Sr., 6899 Mission St.

DALY CITY—COLMA

Pinch hitting for a dancer with a bad leg, Charles Garry, Lions member and San Francisco attorney, was the guest speaker at the Lions Club Wednesday.

Originally, the entertainment was to have been in the form of several dances. However, the principal came down with a bad leg and was unable to appear.

Garry spoke at length on the now famous "Wells" case. He is defending Wells who faces a death sentence for throwing a cuspidor at the head of a guard. As Wells is a "lifer," California law makes it mandatory to sentence him to death for attempting to assault a guard.

Fearing the law is unfair, Garry is defending Wells. The local attorney has received much publicity for his humanitarian effort, both in the Bay Region and over national radio shows.

Crocker P. T. A. Elects New Officers

Holding their annual election Tuesday, members of the Crocker PTA elected 10 new officers to take over the "helm" during the coming year.

Mrs. Elsa Berg was elected president to take over the gavel from Mrs. Erwin Schmidt May 1.

Other new officers include: Mrs. Sally Booky, vice-president; Miss Marjorie Tobias, honorary vice-president; Mrs. Dorothy Traxler, recording secretary; Mrs. Helen Cheatham, treasurer; Mrs. Marie Sorenson, corresponding secretary; Mrs. Virginia Davidson, historian; Mrs. Thelma Holcomb, financial secretary; Mrs. Emma D'Isep, auditor, and Mrs. Effie Jordon, parliamentarian.

Previous to the elections, the various chairmen of last year's committees gave interesting reports on their activities for 1949-50.

Mrs. Schmidt took the opportunity after the votes were cast to appoint Mrs. Berg, Mrs. Olga Bordson, and Mrs. Ann Ingersoll to a committee to attend the District convention today, March 16, at San Carlos. Mrs. Schmidt will also attend.

Taking over even 'another job, Mrs. Berg was elected as a delegate for the PTA to attend the state convention in Sana Cruz May 3.

James Snell, superintendent of schools, was also present at the meeting, and invited the ladies to attend a student body assembly at Crocker.

Guest speakers of the day were student body officers from Crocker, who spoke on student body government. Speakers were: James Snell Jr., president of P.M. student body; Dick Callan, vice-president of A.M. student body; Joan Meadows, sergeant-at-arms, P.M. session; Alice Quickert, sergeant-at-arms, A.M. session.

Meanwhile, the February 28 meeting of the executive board was held at the home of Mrs. Emma D'Isep with Mrs. Olga Bordson assisting.

Jeff High "Guff"

By Bettie Duffy

Jeff's annual Band Show is scheduled for March 24 at 8 p.m. in the school auditorium. Tickets are now being sold by the sudents. This show will consist of 20 dancers, the majorettes, the band, dance band, chorus, soloists and other big hits of entertainment.

ART ABILITY

Two Jefferson students, Ben Stahl and Merrille Faulk, have won regional honors in the art contest sponsored by Scholastic Magazine in cooperation with the Emporium, S. F. Jefferson students submitted 30 art plates to swell the local total to 1200. These drawings will now be sent to the National Contest in Pittsburg. Jefferson is honored to know that there are such talented artists among its many talented students.

NEW STUDENTS

Well, there's only one new student this week! Her name is Katherine Kuggier, a former Balboa high school student. Katherine attends Jefferson as a low junior.

WET DAYS ARE HERE AGAIN

The poor girls are again featuring wet hair and bandanas on swimming days. These days of swimming are. Tuesdays and Thursdays.

The pool is also open at night to the public now!

TEA

Yesterday the foods class put on a tea for the mothers of all the Jefferson students as well as the high senior girls.

Local Church Shows Movie Sunday Night

A sound film, "Salt of the Earth," will be shown this Sunday evening at the Grace Presbyterian church.

The film will be shown at 7:30 p.m. A dramatic story of what one man did when he decided to go God's way, the movie is fast moving and of interest to everyone. The public is invited to attend.

Meanwhile, March 27 will be "Bank Night" at the church. Those who have building fund banks can either hand them in to their leaders or bring them to the church at 7:30 p.m. Monday evening. Mrs. James Nagle is in charge.

Contents of the little savings banks will be turned over to the building fund.

Entertainment and refreshment will be the order of the evening.

Looking back to last week, the San Francisco Presbyterial met at the First Presbyterian church at Berkeley March 8. This was the annual meeting at which time the officers were installed for the ensuing year.

As delegates from the local Women's Council of the Grace Presbyterian church, the following women were at the meeting: Mesdames Henry Adami, Elizabeth Bright, Leela Frazier, William Harberts and Frank Specht.

Mrs. Frazier was appointed to serve on the committee of Christian Education.

The U. S. Air Force Training Command has been termed one of the largest school systems in the world. It operates technical and administrative schools throughout the country, teaching the latest developments in such fields as photography, weather forecasting, radar, supply, communications, atomic energy, armament and scores of other subjects.

A good example of benefits of the Armed Forces unification program is displayed at the U. S. Air Force School of Aviation Medicine, Randolph Air Force Base, Texas, where flight nurses from the Air Force and the Navy live, study and train together.

Air Force flight nurses, organized as members of the newest branch of military medicine in August, 1943, are carrying on two of the greatest life saving measures in medical history — the transportation of the sick and wounded by air, and methods for caring for them in flight.

Ninety-eight cities and towns in Maine have nonpolitical municipal managers — more than any other State in the nation.

Legion, Auxiliary Birthday Party This Saturday

American Legion members and women of the Auxiliary are reminded that Saturday night, March 18, the Daly City Legion post will hold its annual birthday dinner.

The banquet gets underway at 7 p.m. in the Legion hall, 474 San Diego avenue.

Master of ceremonies will be Emil G. Pahlka. He has lined up some interesting entertainment for the evening, and this promises to be a banquet no one will forget.

Mrs. Minnie Bernarti is the Auxiliary chairman for the evening, and also has planned a wonderful meal.

Those planning to attend are asked to contact Mrs. Bernardi at DE 3-6275 any time after 2 p.m.

Chairman for the Post is Andre Forte, 175 Irvington. He can be reached at JU 4-0182.

Members of the Auxiliary committee include: Mrs. Bernardi, chairman, Mesdames Bertha Zimmerman, Mary Gilbert, Alice Forte, Margaret Rector, Agnes Prescott, Ethel Harris, Lillian Felch, Lenora O'Neill and Mary Hilgrove.

Scouts Inaugurate Swim Parties

Beginning a series of regular Wednesday night swims, members of Girl Scout Troop No. 14 will meet next week at Jefferson high pool.

The young ladies are asked to be at the corner of Templeton and Mission at 7 p. m. Wednesday if they wish to take part in the party. The swimming will continue each week through the Spring.

Mrs. Mary Perro, assistant troop leader, is in charge of the parties.

Meanwhile, today, March 16, the young women meet to celebrate the troop's birthday. A large cake will be cut by the chairman for the day, Margaret Runge.

In addition to the birthday celebration, members will be given cards for the coming year, scout pins, and year stars.

Looking to the future the girls plan to make a tour of the Ferry Building April 6. Further information on this tour will be published in subsequent issues of The Record.

Production of commercial minerals during 1947 was reported from every one of California's 58 counties.

YOUR DALY CITY GARDEN NEWS

By ELSIE M. GARRISON

"I think that I shall never see,
A poem lovely as a tree."—

It is hoped that many of the residents of Daly City will celebrate the birthday of our own Luther Burbank, "Father of Floriculture," by planting a tree this week.

This type of ritual does not need speaker band nor bunting. The tree will grow and speak its own language of beauty and shelter, and when next Arbor Day, March 7, rolls around, your tree will serve to remind you of your priceless heritage of trees, in virgin forests and woodlands, as well as those which beautify your home or grounds.

I'm afraid most of us take our trees for granted, indeed, the hundreds of thousands of trees destroyed every summer by fire, attest to criminal negligence on the part of our citizens. It is entirely revelant that the personal ownership of a tree might serve to educate and make for greater appreciation the stands of fine, old evergreen and eucalyptus which grace the highways and by-ways of our state. It may come as a surprise to some, that every year many of these groves are threatened not only by fire but by selfish lumbering interests, whose object is strictly monetary, with no thought of soil erosion, wild life protection or reforestation.

It is in this instance, that the Garden Clubs of California, of which the Daly City Garden Club is an affiliate, have added the strength of their organization, and allied themselves with others in public protestation; thereby guarding and serving the entire citizenry. While these clubs are non-political in nature, and occupy a recreational and social field, any legislation or petition that will endanger or adversely affect our natural resources, especially our trees, will be met with militant opposition, and the Daly City Garden Club will enlist the aid of all civic groups in making the facts known.

The March meeting of the club was held at the home of Mr. and Mrs. Howard Miguel, 98 Cottonwood drive.

Joseph Jacobsen, who was guest speaker, gave a very interesting program, illustrating his theme with clever and artful flower arrangements, gave instructions on how to achieve professional results with many types of flowers and foliage.

Well received, also, was a talk by Mrs. Clausen, out-of-state garden enthusiast, who is visiting her son here. With some seventeen years of garden-club membership to her credit she was able to speak authoritatively and advance ideas of merit. Her expressed cooperation was greatly appreciated by the club.

OPEN MEETING

Advance notice of the first "open meeting" of the D. C. Garden Club, was made by Mrs. Hiett, program chairman. In response to the ever-increasing interest and following that has been shown, Mrs. David Bunkley, president, has arranged with the Board of Education and Channing Jones, of the California Spray Chemical Corporation, to welcome all residents of this area, at the Horticultural Center (Green Room) of the City College the night of April 4, at eight o'clock.

Not only will a beautiful film be shown (How to Grow More Beautiful Roses), but the added treat of the evening will be a talk by none other than Norvell Gillespie, noted authority, whose books and radio talks you are all familiar with. This is a "date" to mark down now. Let's see if we can't make this a rally for folks who would strive for a more beautiful and garden-conscious Daly City!

Hoyt Heaters, Veterans Inn, Seahawks Win In First Round Of Jeff League

By Milton Tromborg

The first round of the Jefferson High Night Basketball League got off to flying colors last Tuesday and Thursday night, with three teams coming out victorious.

On Tuesday night, March 7, the Seahawks battled a win from Gigli Plumbers by a close score of 30-28. The second game of the night was cancelled because one of the teams did not show up. This was a contest between the V. V. Merchants and Hayduks A. C., and will be played at a later date.

Thursday night, March 9, Veterans Inn rolled over Neville Motors by the impressive score of 34-19. Also in the second game of the evening, Hoyt Water Heaters ousted a win from the Loafers by the score of 41-33.

CLOSE GAME!

Gigli Plumbers put up a good game before falling in defeat to the Seahawks, but regardless of the defeat, they are going to give all the teams a rough go of it all through the league.

Forward York of Gigli Plumbers took high honors in the scoring department by making 11 points. High scorer for the Seahawks was center Spillane with 10.

VETERANS INN TEAM LOOKS GOOD

Veterans Inn looks like they are really going to have a good ball club in this league. They have height and good boys with shooting ability, plus a good defensive ball club.

With Rode and Johnson controling the backboards on offense, and Rerecich and Ransey controling the backboards of defense, the Vets took their time and went into an easy win.

Rerecich, guard for the Vets, is a former All-P.A.L. player from Jefferson High in 1943, and he scored a high 15 points, with 14 of the 15 points being made on field goals.

Silacci, of Neville Motors, played a good game, and took high honors for his team with five field goals, for 10 points.

HOYT WATER HEATERS GET HOT

Hoyt Water Heaters, paced by the playing of the Dederman brothers, got hot in the second half of their game, and took their first win in the league over the Loafers, 41-33.

The Loafers outplayed the Hoyt five in the first half. In fact, the Loafers had a lead of 11 to 2 at one time. The Heaters came back in the second quarter to tie the ball game up at 15-15 at half time.

Heise for the Heaters played a wonderful game on offense and scored 13 points to lead his team in the scoring department. Harry Dederman, 6'6" center for the Hoyt Heaters, did a wonderful job of controling the backboards. Harry scored a low 7 points.

Milkovich, guard for the Heaters, played a wonderful game, and was the main spark in the playing ability of the team. He scored 8 points.

Port led the scoring department for the Loafers with 16. As of now, he holds the record on most points scored in a single game.

This week, Gigli Plumbers will play the V. V. Merchants on Tuesday night as will the Seahawks play the Hayduks A. C.

On Thursday night, March 16, Neville Motors will have played the Loafers and Hoyt Water Heaters in the second game with Veterans Inn.

Next week, the third round of the league, will see the Seahawks battle the V. V. Merchants on Tuesday, March 21, and in the second game, Gigli Plumbers vs. Hayduks A. C.

Thursday night, March 23, Veterans Inn plays the Loafers in the first game, and in the second game Neville Motors will take on Hoyt Water Heaters. This is your basketball, up to the end of the third round.

JEFF SWIMMERS WIN FIRST DUAL MEET

Jefferson High school swimmers, coached by Lou Reese, opened the 1950 season by winning their first dual meet of the year over George Washington High school of San Francisco.

The Jeff mermen won in every division, the varsity winning 34-31, the 30s 29-26, and the 20s 29-18.

The outstanding swimmer of the day was Jeff's Norm Cady. Cady swims 20s and has yet to be beaten in the 50 and 100 yard free style.

Cady won the 50 yard free style in good time, 28:6, and he won the 100 free in the time of 1:08:7.

Eddie Galindo and Don Espinoza took high honors in the diving department for the Indians, with Galindo taking the varsity and Espinoza the 30s diving.

VARSITY

50 yard free style: 1st, Leach (J); 2nd, Wedel (J); 3rd, (W) time 28:3.

100 yard breast stroke: 1st, (W); 2nd, Davis (J); 3rd, Freeland (J), time 1:23.

200 yard free style: 1st, (W); 2nd, Dimond (J); 3rd, (W).

100 yard back stroke: 1st, (W); 2nd, (W); 3rd, Schnell (J), time 1:14:33.

100 free style: 1st, Nicolini (J); 2nd, (W); 3rd, Rudloff (J), time 1:00:9.

Diving: 1st, Galindo (J).

Medley: 1st, (W).

200 yard four-man relay: 1st, (J).

OLPH Wins "A" Championship In League

By Earle Johnson

Wednesday, March 1, at the Jefferson High School gynasium an alert, aggressive five from Perpetual Help School turned back a stubborn team from Jefferson Elementary School.

The game was nip and tuck all of the way with the half time score 11-10 in OLPH's favor.

Shortly after the half the losers came back strongly and at one time were ahead 16-12; however, the victors came back to win 21-18.

Both of these teams had defeated the other in regular league play and each had a season record of five wins and one defeat.

Robinson was high point man for the winners with nine points, followed by Dreyfus with six, Laramie, four, and Madden, two. Rosa and Murphy were held scoreless. For the losers Geersten and Gerrity both scored six points, followed by Lagomarsino, Youtsey and Bernard, with two points each. Figone and Ciardella went scoreless.

With their win tonight, OLPH earned second championship of the school year, the first being in touch football. The Recreation Department's perpetual trophy will go to the new champions. The basketball trophy is currently held by Crocker, who was last season's champion.

Players of the winning team will receive individual medals for their outstanding sportsmanship and team spirit, which led to their winning the championship.

Season Scoring for "A" Teams

JEFFERSON:: Gerrity, 32 Geersten, 25; Yousey, 15; Lagomarsino, 6; Ciardella, 6; Bernard, 2; McDonald, 2; Marshall, 1; Anthony, 11.

PERPETUAL HELP: Robinson, 45; Rosa, 23; Laramie, 22; Madden, 14; Dreyfus, 12; Murphy, 7; Gerard, 4.

CROCKER: Plunkett, 28; Lewkowitz, 9; Maudy, 7; Butler, 5; Selmi, 2; Galendo, 2; Neil, 2; Siegle, 2.

WOODROW WILSON: Irons, 8; Thur, 8.

SPORTS

Bad Ankle; Slow Ball Takes Sartos To Sunday Victory

Tito Sarto's good arm and weak ankle closed down the season for Sarto's Sunday with a win over Matty The Geary, 8 to 4.

This is the last game for the Sarto nine, with the exception of a benefit battle with Ayoobs at Seals Stadium April 23. The boys won't be playing ball together because the majority of them are to be fielding and swinging for San Francisco high schools during the coming season.

Taking the place of pitcher Bill Rainey (who was on the mound Tuesday for Balboa), Tito pitched a one-hit game Sunday. What at first might have been a handicap turned out to be an asset, when Tito discovered that through his weak ankle he could pitch a slow ball that befuddled the other batters.

"Coming down on his ankle hurt so badly that he couldnt toss any fast ones, so he had to rely on the slow shot," Joe Sarto, team backer, and father of the pitcher, explained.

The Sunday victory was even more astounding as Matty The Geary is a double A team, and took second place in the "Big" Recreation league.

Faustino also did a nice job for Sarto's with one run for three times up as did Quinones with three for two; Al Sterling with two for three; Schuler, one for two, and Clausen with one for one.

In saluting this teen-age team (none of the players is over 18), credit must go to Bill Rainey, pitcher, who ran up the following record: 228 strike-outs, 82 walks, 79 hits, and 169 innings.

The team itself made quite a score, too, with 31 wins to 35 games played.

Cindermen Almost Score Upset

Jefferson High track men left their mark on Palo Alto High's track last Friday afternoon, after all the schools in the P.A.L. competed in the P.A.L. relays races.

This being one of the most interesting events of the year, the Jeff cindermen almost scored a win in the varsity four-man, two-mile relay race.

The Jeff relay team took off with flying colors and lead the whole race until the last 10 yards, where the Indians lost out.

Tom Blowers, John Bollinger, Bert Nottingham and Joe Zanobini were the four Indians who ran the race and they did a very good job.

Here are the final results: San Mateo 26, Burlingame 25, Lincoln 22, Palo Alto 13, Sequoia 12, San Jose 7, Jefferson 5, South City 0.

Women in the WAC and WAF have opportunities to serve abroad with the Army and the Air Force at installations in Europe, the Caribbean, and in Japan.

Soldiers and airmen at various posts and bases throughout the world can gain high school diplomas, college credits and an academic background in anything from art to zoology through study with the United States Armed Forces Institute — the largest correspondence school in the world.

SMJC Cagers Lose Principal Game

Although San Mateo Junior College defeated Grant Tech and Placer Junior College in the regional basketball tournament at Sacramento, the Mateans lost out in the finals to City College of San Francisco and thus lost the chance to compete in the national tournament in Kansas. In defeating Placer and Grant, San Mateo defeated the number one and number two teams of the Northern California Junior College conference. Basketball for the 1949-50 season is now through at San Mateo.

By scores of 2-0 and 8-4, San Mateo JC baseball players defeated the College of Marin Saturday as part of the practice season that is leading to the conference schedule. The Mateans have the fine pitching they had last year and are getting stronger hitting than had been expected.

Sunday the Bit and Spur club of the college gave a field day of riding events at the Gymkhana Club in San Mateo with a number of spectators present to witness the seven riding events.

The Associated Men Students will have their spring smoker this Friday evening at the American Legion Hall in San Mateo. Baseball and other sports will be featured in movies and by talks given by coaches and visiting sports leaders.

Dr. John Kerry King of the University of California faculty will speak at the Community Hall meeting at the college Monday evening. He will lecture on the "Incas and the Andean Land," and will show color pictures. The public is invited to the program at 7:30 free of charge.

Gelsi's Liquors Drop First Game To Joe's 7 to 8

'Twas a sad day for Gelsi's Liquors last Sunday when after a close fight they lost their first ball game of the season to Joe's Club 7 to 8.

This was the first loss for the Daly City nine in five games played. Only the hard-hitting lads of Joe's Club managed to take their team to victory, and for a time it was a toss-up whether or not Gelsi's would not go on for their fifth straight win.

Neil Pezzola starred for Gelsi's hitting four for five. Domecus was close behind, hitting three for four.

Eddie White, team manager, is planning to enter his club in the San Mateo county summer league. More about this will be printed in the "Record" at a later date.

Cereghino Stars On Mound For Jeff With Two Hit Practice Game

By Milton Tromborg

Last Thursday afternoon, March 9, Ed Cereghino threw a two-hit, 5-0 shutout to lead his team to their sixth win of the year over George Washington High School of San Francisco.

Hitting seemed to be no trouble, for the Indians got seven hits, one being a home run by Alex Findlay in the fifth inning, with one teammate on base.

The two hits that Cereghino allowed in seven innings on the mound, one was a double in the first inning, and the second a cheap single in the last inning of the game.

Ed was never in trouble and had the game going his way all the time.

The Indians scored one run in each of the first, second, and third innings, and two runs in the fifth inning.

Alex Findlay, catcher for the Indians, hit a two-run homer in the fifth inning. The ball was well hit and hit the wall of the boys' gym, a 300-foot drive.

HENRY MORGAN HITS HOME RUN

Tuesday, March 8, the Jeff varsity baseball team won another victory, this time over Poly of San Francisco, by the score of 7 to 4. The Indians dumped Poly before—6-0.

Henry "Hanker Arm" Morgan went the distance for the Indians, giving up six hits in seven innings.

Morgan not only was the main spark on the mound but at the plate also. Morgan hit three for four, hitting a triple in the first inning, a single in the third inning, and a two-run homer in the fifth inning. Morgan hit a double in the seventh inning, but it went into the books as an error.

Center fielder Don Lunghi also had a good day at the plate, hitting two for three, both singles.

LINK'S DEFEAT INDIANS

Lincoln High School of San Francisco defeated the Jeff baseballers on March 7, by the score of 6 to 1.

Don Lunghi did the pitching for the Indians, allowing eight hits. The Indians were very weak at the plate, getting two base hits, a single by Lunghi and a double by Kliem.

Coach South said, this was the worst ball game that the boys played all year, but if they play like they are capable of doing, Jeff will go all the way to the championship.

Red Cross Offers Pre-Swim Courses

The annual ten Saturday Pre-Summer Swim Campaign will be co-sponsored jointly again this year by the San Mateo Union High School District and the Daly City Red Cross.

Superintendent Will T. Van Voris said today, "Certified Red Cross instructors will teach swimming and water safety.

Ben McQuire, coordinator of the program, announced half-hour classes will be every Saturday from 10 a.m. on, starting April 1, continuing through June3. Registration closes March 17.

Classes will be conducted at both San Mateo High pool and Burlingame High pool. Instruction will be given to beginner, intermediate and swimmer including classes for both children and adults.

Any person standing 42 inches from toe to chin may enroll by securing a registration blank at any elementary school, or the Red Cross, 1449 Bellevue avenue, Burlingame.

Fee for the 10-lesson course is $2, which pays for maintenance of pools, etc., and is payable to Carl Storv, finance officer, Burlingame High school, Carolan avenue, Burlingame.

BOTTLE BABY—Film actress Ann Sheridan brings lunch to Andy, the tame baby antelope who is a familiar sight at Sun Valley, Ida. Andy was found in the rugged mountains near the resort.

FISH AND GAME NOTES

by Jimmy Fox

The members of the Daly City Rod & Gun Club and the Daly City Sportswomen's Club have just finished being big brothers and sisters to 5,000 boys and girls under 12 years of age at the Huck-Finn fishing pool during the Sport Show just completed.

The kids carted home $2,500 worth of prizes all the way from a $30 fishing rod to lines, leaders and fish hooks. The prizes were donated by the various manufacturers and distributors of tackle in the area. Every child who fished took home a prize of some sort and a fishing diploma signed by Uncle Joe Dearing, sports editor of the Call-Bulletin.

The show's success can in a large way be attributed to the hard working members of the D. C. Sportswomen's and Rod & Gun clubs. They were in attendance at the pool every day from noon until 1 a.m. for the full 10-day run of the show. Under the supervision of Sportswomen President Betty White and Show Chairman Frances Nenstiel the kids were under control all afternoon. Then in the evenings Ed Meirding, club chairman and also show chairman, took over and saw that the kids caught plenty of fish. They fished with flies for the rainbow trout that were supplied by the show management and the Call. When the fish wouldn't take flies they were fooled with salmon eggs and even worms.

Better than 2,000 trout were supplied for the pond during the show's run.

HOST

The club was also host to an old friend from the Marine Hospital again this year. Chuck Weidsweiler, who has been confined to a hospital bed for the past two years, was a guest of the D. C. Rod & Gun Club at the Sports Show last year and it happened to be his first outing since his confinement.

Again this year the club saw fit to invite Chuck to see the outdoors indoors As this also was his first outing of 1950 it certainly was an enjoyable one as evidenced by the grin on his face all during the four-hour stay at the show. His thanks went out to Tom Rooney, show manager, the RedCross, who furnished transportation and two attendants, Mrs. Robert Rogers, Red Cross Grey Lady, and Mrs. Laura Abbey, Red Cross Motor Transport driver, and to the Airex Rod Co., who cleared off their display table so Chuck could have a grandstand seat. Al Speers and this writer were his escorts and they showed him everything of interest in the show.

TRIP

Next item on the sports calendar is the club's fishing trip scheduled for Sunday on Sherman Island, Sacramento River. The whole family is invited and guests will be welcome also. We will meet at the bridge just out of Antioch at 9 a.m. March 19. For further information call Jimmy Fox or Ed Nenstiel at the Daly City Hardware store, JUniper 4-7442.

Next meeting of the club will be Wednesday, March 22, at 337 Bellevue avenue. Remember the meeting starts at 8:30 p.m. Bring a new member.

MEETING

There will be a meeting of State Council, Associated Sportsmen of California, Inc. at the Berkeley Rod and Gun Club, Aquatic Park, Berkeley, California, at 10 a.m. Sunday, March 19.

FISHING

Last Sunday the boys from Milo's Market in Daly City went out for salmon and struck it rich. Eleven-year-old Bobby Bertolucci showed them the way by catching the first limit on his first salmon trip. Most of the fish were around 10 pounds in weight. The big one for the day was a 16-pounder landed by Bruno Farnochia.

Also along and catching limits were Mario Lucchesi, Mike Bertolucci, Rico Bianchi, Gerry Listman, Vern Lucier, and Sam Silver. Every one caught the limit and they returned with 24 nice salmon. Guess we will have to sign them up in the D. C. Rod & Gun Club as not a one of them is a member.

The salmon have been hitting very well outside off of Slide Ranch lately. Looks like the sport will continue for a while.

Lake Merced Stocked With Large Trout

The Division of Fish and Game revealed this week that San Francisco's Lake Merced has been stocked with 74,000 catchable-sized trout since elimination of rough fish populations by chemical treatment last October.

Additional rainbow trout will be added to the city-owned lake before the local angling season opens April 29. The Fish and Game Commission has set a two-a-day bag limit for the 1950 season.

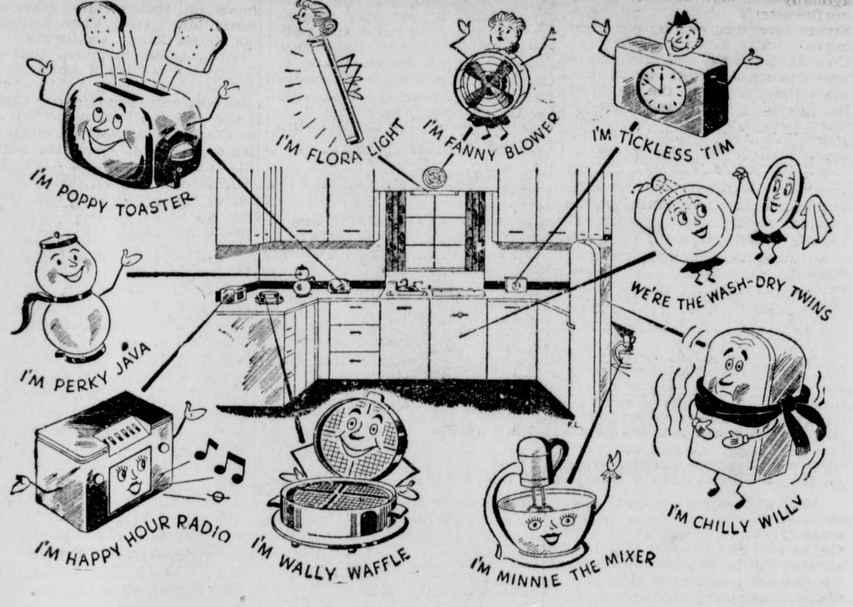
"We work for pennies a day!"



Wired help in your kitchen

Young homemakers of today can get a complete dinner on the table, from salad to dessert, in about half the time it took Mother twenty years ago. Of course, Mother did her work by hand, while Daughter has a staff of electric servants helping her. Low cost electricity, for example, runs a mixer for three hours for less than a penny. And the electric dishwasher washes and dries a daily quota of dishes for just a fraction more. Do you work in a brightly lighted kitchen, with the air swept clean of cooking fumes and completely staffed with wired help? Thousands of happy housewives save time and energy in an electric kitchen. Why not you?

One of the bright spots for electric appliance sales in the Nation is your part of California, where practically all of the homes and farms are wired for electricity. And serving you here are nearly 2,300 friendly and helpful electric appliance dealers.

Low electric rates mean good business for the electric dealers in your community. Last year, retail dealers sold 93,000 refrigerators, 73,000 washers, 30,000 vacuum cleaners, 11,000 home freezers, and 10,000 ironers in Northern and Central California.

For the record

LIVING COSTS UP

It takes many more dollars to buy what your family needs today. Living costs in San Francisco, for example, are now more than 51% higher than in 1923 and 87% higher than in 1933.

ELECTRIC COSTS DOWN

Despite the rising cost of living, the price of electricity has gone down and down. NINE major rate reductions made by this company since 1923—the latest in 1946—have cut the cost of household electricity more than 50%.

RESOLUTION NO. 1225 OF INTENTION TO MAKE CHANGES AND MODIFICATIONS

RESOLVED, by the City Council of the City of Daly City, California, that it does hereby find that it will be proper and advisable and that the public interest and convenience require, and that it is its intention to make the following changes and modifications in the proceedings had pursuant to Resolution of Intention No. 1190 adopted by this Council on January 9, 1950, to-wit:

1. Change and modify the work to be performed and the plans and profiles therefor to provide for the construction of vitrified clay pipe sewer main in Frankfort Street between Guttenburg Street and Oliver Street five feet southeasterly of and parallel to the northwesterly property line of said Frankfort Street instead of as now shown on the plans, eliminating house laterals along the northwesterly side thereof and providing wye branches for each lot in the place thereof, and providing for the construction of one wye branch and house lateral on the southeasterly side thereof for each two lots to be served, said laterals to terminate at least two feet southesterly of the southeasterly edge of the sidewalks to be constructed therein, and eliminate Manhole No. 16 in Frankfort Street.

2. Change and modify the work to be performed and the plans and profiles therefor to provide for the construction of a vitrified clay pipe sewer in Edgemar Street from Lowell Street to the southwesterly end thereof instead of as now shown on the plans, eliminating house laterals along the northwesterly side thereof and providing wye branches for each lot in place thereof, and providing for the construction of one wye branch and house lateral on the southeasterly side thereof for each two lots to be served, said laterals to terminate at least two feet southeasterly of the southeasterly edge of the sidewalks to be constructed therein.

3. Change and modify the work to be done and the plans therefor by providing for the construction of a sanitary sewer main in Mar Vista Drive between Frankfort Street and the southwesterly end of said Drive, commencing opposite the southwesterly side of Lot 17, Block 2, Concordia Land Company, thence southeasterly to opposite Lot 11, Bella Vista Terrace, thence southwesterly along Mar Vista Avenue about two feet southeasterly of the southeasterly edge of the sidewalk to be constructed therein to about opposite Lot 31, said Tract, and thence diagonally and southwesterly to the northwesterly corner of said Street terminus, and by eliminating all house laterals to Lots 11 thru 31, inclusive, and providing a wye branch for each lot in the place thereof, reduce the length of the lateral to Lot 9, said Subdivision, and eliminate the 8-inch storm drain from said lot to the sewer main in Frankfort Street.

4. Relocate all appurtenances to any of the work above to conform and do all other work auxiliary to said improvements which are required to carry out same.

5. Change and modify the proceedings under Resolution of Intention No. 1190 to conform to the above changes and modifications of work and to contain the following provisions:

(a) Notice is hereby given of the fact that in many cases said work and improvement will bring the finished work to a grade different from that formerly existing, and that to said extent said grades are hereby changed and that said work will be done to said changed grades.

(b) Notice is hereby given that serial bonds to represent unpaid assessments, and bear interest at the rate of six per cent (6%) per annum, will be issued hereunder in the manner provided in Division 7 of the Streets and Highways Code, the Improvement Act of 1911, and the last installment of such bonds shall mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date. Said bonds shall be payable to bearer and provide a premium of 5% of the unpaid principal on call.

Notice is hereby given that Monday, the 27th day of March, 1950, at the hour of eight o'clock P. M. in the Council Chambers, City Hall, Daly City, California, be, and the same is hereby, fixed as the time and place when and where this Council will consider and act upon said proposed changes and modifications and when and where any and all persons interested therein may be heard.

Said changes and modifications shall be made by the City Engineer either on the face of the plans and profiles, or by filing amended sheets thereof.

The City Clerk shall cause a copy of this resolution to be published once in the Daly City Record, said publication to be at least ten days before the date of said hearing.

* * *

I hereby certify that the foregoing resolution was duly and regularly adopted by the City Council of the City of Daly City, California, at a regular meeting thereof held on the 13 day of March, 1950, by the following vote:

AYES, and in favor thereof, Councilmen: Bertetta, Battye, Mooney, Green.

NOES, Councilmen: None.

ABSENT, Councilmen: Gaggero.

B. C. ROSS
City Clerk of City of Daly City

OBITUARIES

Angelo Bernardini

Funeral services were held March 10 from the W. C. Lasswell mortuary for Angelo Bernardini, 76, Rt. 1, Box 136, Colma.

The long-time resident of Colma died at Community hospital March 7. A laborer by trade, Bernardini was a native of Italy and active in Colma affairs.

He is survived by his widow, Mrs. Marie Bernardini; a son, Albert; three daughters, Mrs. Livia Bellicci, Colma, Mrs. Bruno Rappeto, Redwood City, and Mrs. Cherry Gonfiantini, Reno.

Mass was recited for Bernardini March 10 at Holy Angels church in Colma. Following the mass, interment took place at the Italian cemetery.

Mrs. D. M. Kuykendall

Following a short illness, Mrs. Daisy May Kuyendall, 68, died at her son's home, 619 Manilla way, March 7.

A native of Kansas City, Mrs. Kuyendall had lived in Broadmoor for only six months before her death.

She is survived by her son John, who also lives in Broadmoor.

Funeral services were held at the W. C. Lasswell chapel March 9. Interment followed at Olivet Memorial cemetery.

Resolution Calling General Municipal Election, Appointing Election Officers, Describing Voting Precinct, Locating Polling Place and Fixing Hours Polls Will Be Open Etc.

RESOLVED: That pursuant to Law a general Municipal Election be held in the Town of Colma, County of San Mateo, State of California on Tuesday the 11 day of April 1950 for the Election of Two (2) members of the Town Council, Treasurer and Clerk. And be it further resolved that Clerk cause notice of said General Election to be given by posting (there being no Newspaper published and circulated in the Town of Colma) not later than the 2 day of March 1950 in at least three public places within the Town of Colma, to-wit, upon the three official bulletin boards a typewritten copy of notice of Election, the offices to be filled Thereat (Full Term) and general description of the voting precinct and location of polling place and such other matter as is required by law and be it further resolved;

That there be one voting precince which shall embrace and include all the territory within the limits of the Town of Colma which is the regular town of Colma precinct established for State and County elections (there being one precinct in said Town) that the location of and the same is hereby fixed as the City Hall located on the West side of El Camino Real at Jewell Avenue and that the polls will be open between the hours of 8:30 A.M. and 6:30 P.M. on said day of Election, and be it further resolved;

That officers to have charge of said Election in and for said voting precinct be one Inspector, one Judge and two Clerks and that the following named persons each of whom is an elector and resident of said Town of Colma are hereby appointed as such Election officers Namely O. C. Hollingsworth, Inspector; E. Jensen, Judge; R. Parker and M. Flynn, Clerks, and be it further resolved:

That the Clerk publish a list of nominees for office in alphabetical order and the respective offices for which they have been nominated at least twice before the day of election in the Daly City Record a weekly Newspaper published in the City of Daly City, County of San Mateo, State of California, said Record being a Newspaper of general circulation published nearest the Town of Colma.

Said list shall be headed Nominees for Public Office in conspicuous type and be in form required by law, that said Clerk also post said list on the official bulletin boards and be it further resolved:

That the Clerk procure the necessary voting booths and see that they are properly erected; that he also have the necessary ballots printed and secure the necessary ballot box, stamps, ink pads, voting list, roster, instructions, cards, affidavits of registration and index thereto, tally lists, returns, envelopes and all other necessary supplies and sees that they are properly distributed to the voting booth prior to the opening of the polls on the day of election and he take such further action as may be necessary to carry these Resolutions into effect and for holding said election.

Passed and adopted this the 8 day of March 1950 by the following vote: Ayes, J. Price, E. Taylor, B. Flynn, J. Newton, Mayor P. Barsi.

E. A. Weisenburger, Clerk.
(Pub. Mar. 9, 16, 1950.)

Mrs. Julia Doelger

Funeral services were held Saturday for Mrs. Julia Doelger, mother of Westlake builder, Henry Doelger.

Mrs. Doelger died last Thursday at her home at 1894 Twentieth avenue, San Francisco following an illness of two weeks. She was 81.

A native of Germany, Mrs. Doelger came to San Francisco when she was 12. Later she married John Doelger, pioneer Sunset grocer, who opened a store at Seventh avenue in 1904. Later, this same area around the store was to be built up by Henry Doelger.

In addition to Henry, survivors include another son, John Jr., and five grandchildren.

Services were held at the Ganner, Kenny chapel. Interment followed at Mt. Olivet Memorial Park.

Mrs. Genevieve O'Brien

Suffering a heart attack, Mrs. Genevieve O'Brien, 52, died at her 1126 Brunswick home early Friday morning.

A native of California, Mrs. O'Brien had lived in Daly City almost all her life. She was active in civic affairs, and well known in the community.

Mother of 12 children, Mrs. O'Brien is survived by her widower, John; five daughters, Mrs. Juanita Shirley, Mrs. Jacqueline Tracy, Valleire, Nodji, Gail, Dawn; six sons, Darrell, John, Kenneth, James, Wallace. There are six grandchildren.

Funeral services were held for Mrs. O'Brien at the W. C. Lasswell chapel Monday. Interment followed at the Golden Gate National cemetery.

NOTICE OF TRUSTEE'S SALE UNDER DEED OF TRUST

NOTICE IS HEREBY GIVEN that on Friday, the 24th day of March, 1950, at the hour of two o'clock P.M. of said day on the steps of the Middlefield Road entrance to the County Court House, in Redwood City, County of San Mateo, State of California, the undersigned, The San Francisco Corporation, a California corporation, as trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States of America payable at the time of sale, the following described real property, situated in the County of San Mateo, State of California:

LOT 92, as designated on the map entitled "TRACT NO. 547 BROADMOOR VILLAGE IN UNINCORPORATED TERRITORY, SAN MATEO COUNTY, CALIF.", which map was filed in the office of the Recorder of the county of San Mateo, State of California, on November 21, 1945, in Book 24 of Maps at pages 74 and 75.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in and by a certain deed of trust executed by RAYMOND L. DEMO and MARCELLA C. DEMO, his wife, as Trustors, to E. T. KRUSE and PARKER S. MADDUX, as Trustees for the benefit and security of The San Francisco Bank, a corporation, as Beneficiary, dated January 2, 1947, and recorded on January 9, 1947, in the office of the Recorder of the County of San Mateo, State of California, in Volume 1385 of Official Records at Page 405, under which said deed of trust said The San Francisco Corporation has been duly and regularly substituted as Trustee.

Notice of defaults in and breaches of said obligations and of the election of said beneficiary to cause said real property to be sold was recorded in the office of the Recorder of the said County of San Mateo, on January 24, 1949, in Volume 1616 of Official Records at page 171, to which said record reference is hereby made.

This notice is given in compliance with a demand heretofore made on the undersigned Trustee by said Beneficiary.

DATED: February 2, 1950.

'50 Booker T. Washington Memorial Coin

Authorized by Congress to assist in raising funds so that a suitable memorial would be established honoring Booker T. Washington, the new 1950 San Francisco minted half dollar may now be secured from banks at $2 each. The premium, $1.50, goes to the Booker T. Washington Birthplace Memorial, a non-profit organization, which is building an industrial training center for Negroes who cannot qualify for vocational educational education in high schools and colleges.

"Career Man"

Symbolic of the fine type of young men who are finding worth-while careers in the U. S. Air Force is the airman portrayed in this poster painted by Gail Phillips, noted artist. Mr. Phillips is one of several illustrators contributing their talents to the Recruiting Service poster series on a public service basis.

VOICE OF THE PEOPLE

Two New Cub Packs Formed For Daly City - Colma

Daly City has two new Cub Scout packs today.

The packs were formed by interested parents at a meeting held Monday night. One pack, No. 63, is to serve young boys in the Woodrow Wilson school area. The other pack, No. 65, is for boys living in Colma.

Pending another meeting of chairmen of the two packs no date or place yet has been set for regular meetings of the members. However, when this information is available it will be published in the "Record."

The chairmen of Pack No. 65 will meet this Tuesday at 7 p.m. at the home of Ray Taylor, 458 Citrus.

Chairmen of Pack No. 65 are to meet Monday night at 7:30 o'clock at the home of Al Lyon, 86 Muirwood drive.

Industrial Accidents

Between 80 and 90 per cent of all industrial accidents are caused by unsafe practices, while unsafe conditions are responsible for only 10 to 20 per cent. Estimates show that 16,000 to 19,000 persons are killed each year as a result of occupational accidents.

This week several people in the Daly City area were asked:

Would you be willing to support a bond issue for six new elementary schools in the Daly City area?

Mrs. Sutherland, 924 Brunswick: Daly City should concentrate on more schools, rather than so many playgrounds until children can be assured of a full-time school schedule.

Mrs. H. R. Miller Jr., 279 Irvington — Schools are certainly necessary, and we need more of them. However, there have been many things taken from taxes which should have been concentrated on the much needed schools rather than lesser projects.

Mrs. N. Morrison, 527 Evergreen avenue—There is no question that more schools are needed. However, it's too bad some parents can't be sent to school for disciplinary education. The schools can teach children, but the discipline of the children remains in the hands of the parents.

William Ellis, 839 Niantic — Although I have two children going to OLPH, I would be willing to support six public schools in the area. We do need more schools.

T. F. Parnow, 134 Westlawn—It seems reasonable enough to me that more schools are needed. I'd gladly support a bond issue for that purpose.

Mrs. Felix Foreman, 35 Woodrow street — I don't have any children in school now, but I certainly would support six new schools for this area.

R. G. Davis, 299 Evergreen—They certainly need schools around here, and I'm in favor of more of them, if they can get the teachers.

May Britton, 598 Evergreen—These days education is a must, and in order to insure every boy and girl of his or her right it is necessary to build new schools. I am for any measure to build schools if it will benefit local youngsters.

SHE CAN SWIM! — Lizabeth Scott likes to have her picture taken against the palisades of the Pacific near her Hollywood home. When she goes to the beach, however, she does more than pose. Lizabeth is one of the few bathing beauties who really can swim.

CITY OF DALY CITY
STATE OF CALIFORNIA
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received at the office of the City Clerk of the City of Daly City, California, at the City Hall, until eight o'clock, P.M., on Monday, the 27 day of March, 1950, at which time they will be publicly opened and read, for installing cast iron or transite water pipe mains in Junipero Serra Boulevard, Citrus Avenue and S. P. Co. right of way in said City.

No bid will be received unless it is made on a proposal form furnished by the City Engineer. Each bid must be accompanied by cash, certified or cashier's check, or bidder's bond made payable to the City of Daly City for an amount equal to at least ten (10) percent of the amount bid, such guaranty to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract.

All bids are to be compared on the basis of the City Engineer's estimate of the quantities of work to be done.

Forms of proposal, and specifications may be obtained at the office of the City Engineer, 2382 Broadway, Redwood City, Calif.

The special attention of prospective bidders is called to the "Proposal Requirements" being a part of the specifications, for full directions as to bidding, etc.

The City of Daly City reserves the right to reject any or all bids.

Cub Dens 15 & 16 Attend Ice Hockey And Sports Show

By Mrs. E. K. Whinnen

The ice hockey game Saturday night and the Sports Show on Sunday, were exciting events to the boys in Dens 15 and 16. The Cubs turned out en force for the two events, and report a swell time.

Seems as though the wish at the Huck Finn pool at the Sports Show weren't biting well enough to please all the Cubs. Some of them just didn't have any luck, and had to come home without any fish. Some of the Cubs did pretty well for themselves.

On the way to the Sports Show Dens 15 and 16 took in the '49er Centennial Exhibit in Civic Center. This is an exhibit of the gold rush days and early life history of California, in all its color and vigor.

The next big event, Cubs, is the trip to the United Airlines airport, with lunch and transportation free to Cubs and their relatives. All will be guests of the airline. Except we parents will be being put straight on airplanes and their operation for some time to come. Because of possible danger, children under six will have to stay home with the baby sitter.

PACK 36

Last night out at the meeting of Pack 36, Den 1 put on two skits that were quite funny. The first one was called "Train Station," and was about an old hillbilly and his wife Mirandy. Hillbilly shuffles up to the agent, kind of shy, and asks if there are any trains going west today. He questions the agent very closely about any trains going west. He wants to be sure. When he is sure there are no trains going west, he questions the agent in the same way about trains going south, north, and east. When finally assured that there are no trains scheduled to go through that day, he turns to Mirandy and says, "Well, Mirandy, I guess we can cross the track, then."

The other skit was called "In the Bag." One of the boys in Den 1 put a paper bag on the table and all the Cubs from Den 1 peeked in very mysteriously, making much of the fact that "it was in the bag." And what do you think was "in the bag"? Why, a yoyo. Imagine sitting on the edge of your chair and biting your finger nails for that. Though sure it would be a mouse.

Dick Hopman, patrol leader for Scout Troop 40, and Den chief for Cub Den 16, really got the "works" out at the Cub Pack 36 meeting, last night. Troop 40 went on the stage and trussed Dick up and then made out they were going to saw him in two, like the magicians do. Wonder if Dick wasn't a bit nervous with those amateurs wielding saws around him?

Oil From Soy Beans

A bushel of soybeans yields about nine pounds of oil.

The beginning
OF THE HARVEST
Some folks think that the first day of reaping begins the harvest.
But the farmer knows that the real beginning of the harvest is the first day of plowing. Furrows come before fields of golden grain. Without the labors of Spring there can be no sheaves in the Fall.
The Greatest Teacher taught that. He said His Truth was like seed . . . some of it might fall on poor ground and die . . . but when it was sown in rich, well-plowed soil it would bring a fruitful harvest.
Every Sunday our Churches plow deep furrows in the good soil of humanity . . . so that God's Truth can take root and grow . . . so that the world may realize its long-cherished hope, a harvest of peace and goodwill.
But remember, the harvest begins with the plowing. Worship God in Church next Sunday!
HOLY BIBLE
THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THE TORONTO MAPLE LEAFS, IN WINNING THE 1949 STANLEY CUP PLAYOFFS, BECAME THE FIRST TEAM TO COP THE TROPHY 3 SEASONS IN A ROW SINCE THE N.H.L. WAS ORGANIZED IN 1917.
IN 1946, TED WILLIAMS WENT HITLESS IN 8 OF THE 11 GAMES HIS TEAM PLAYED IN YANKEE STADIUM.

D.C. AUTO ROW HELPS POTATO PLAN

Local Firms Pay Shipping Costs Of Surplus Spuds To San Francisco

Joining whole-heartedly in the "San Francisco Plan" to distribute surplus government-owned potatoes, Daly City's "Automobile Row" this week brought a carload of the spuds from Tule Lake.

The automobile men paid the freight cost on a carload of potatoes which will be distributed free of cost to the needy through the Farmers' Market. At the market, all labor and services are being donated free by the farmers.

Father of the plan, John G. Brucato, explained:

"This, carried out on a national scale, would soon relieve the present surplus potato problem. The plan calls for various communities with heavy relief loads to apply for government free potatoes at shipping point, obtain sponsors to underwrite freight charges and certify recipients through local county welfare boards."

Those Daly City automobile firms who paid the shipping costs on the potatoes from Tule Lake to San Francisco include: N. California Motors Inc., Sunset Motors, Belli Motors, Mission Auto Company, Martorana Brothers, Impeatrice Brothers, Neville Motors, James E. Donahue, Lombardi Auto, Al Palen, Peter Venturino, William J. Sweeney and Carl Haas Motors.

National forests included 181 million acres and other public forest land not included in national forests approximately 190 million acres in the United States in 1949.

Breslauer Killer Companions Sentenced

Joseph Hildalgo, 30, and George Silva, 26, both of San Francisco, were sentenced to indeterminate terms in San Quentin Tuesday, March 7, for their part in several Peninsula burglaries.

Both men were allegedly involved with the Breslauer killers when they burglarized the American Cleaners in Belmont. However, neither of them took any part in the September 29 killing.

O. B. Hempstead, County Assessor, To Be Candidate

Osmer B. Hempstead, assessor of San Mateo county, yesterday announced his candidacy to succeed himself.

He has held the office since February 2, 1948, when, by unanimous vote of the board of supervisors, he was chosen to fill the vacancy caused by the death of Martin R. Flynn, who succeeded his father, Daniel Flynn.

Hempstead, familiarly known as "Hi," has lived in San Mateo county 32 years, the first 10 years in South San Francisco and 22 years in Burlingame. He was one of the organizers and the cashier of the Citizens National Bank of South San Francisco that later became a branch of Bank of America. Subsequently, he was transferred to the Burlingame avenue branch.

In 1945 he identified himself with the county assessor's office in successive capacities as personal property appaiser, building appraiser, and assistant assessor. He is a member of the National Association of Assessing Officers and of the Association of County Assessors of California in which last named organization he serves on the executive committee.

"I have no campaign platform as a candidate," said Hempstead in making his announcement, "except that we shall continue in the important work of adjusting the San Mateo county assessments on a basis of 'equality to all' where every citizen will be treated alike.

"It must be borne in mind that the assessor does not levy taxes. His sole duty is to see that all property is assessed on a fair and equal basis. The byword in our office is 'equalization.' This is not a one-man job. I can assure you that if it were not for the fine staff of men and women who are associated with me that we could not have made the progress of which we are all so proud. We are earnestly trying to do a good job for our bosses, the taxpayers."

Monterey was the seat of government of most of the Spanish and Mexican rulers of California until the United States flag was hoister there in 1846.

Inyo county contains both Death Valley and Mount Whitney — the lowest and highest points of continental United States — within its boundaries.

Winners Of Last Week's "Find The Word" Contest

In order to keep our contest, "Find the Word," fair to all our readers, the selected word this week will appear only in the Record, and hereafter, we will alternate — inserting it in the Shopping News one edition and in the Record the following week.

This policy has been adopted because of the difference in time of deliveries. The "Shopper" is placed at your door every Thursday afternoon while the Record is delivered by mail on Friday morning. Consequently, we had to make allowances.

However, all Shopping News readers may get in on the fun this week. Just get a copy of the Record, discover the word, make a count of it, then telephone the Record. Prizes: 1st, $5; 2nd and 3rd, Decker's Picnic hams, valued at $3 each; 4th, 5th and 6th, 3-month subscriptions to the Record.

But here is another new rule. You may call only between two and four thirty on Friday afternoon. This is done to make sure that all of the subscribers have a fair chance at winning the prizes.

Last week, the winners were: 1st prize $5, P. Romero, 930 Huron avenue; 2nd, 3rd, 4th, A. Berry, 502 Knowles avenue, J. DeMatteis, 73 Bruno avenue, Belle Adele Lamb, 182 E. Vista avenue. The word "Market" appeared nine times.

New Belli Market To Hold Grand Opening March 23

All preparations have been completed, and one week from today, March 23, the Belli Market, one of the most up-to-date food emporiums in this area, located at 7283 Mission street, will open its doors for the first time.

"Nothing has been spared to make the Market complete in every detail,' asserted Joseph Belli, son of the proprietor and one of the moving forces in its construction.

"Let us start at the arrival of a customer," he related. "Right alongside of our structure is a spacious parking lot. That is a decided necessity these days.

"There won't be any need for hauling heavy bundles long distances, and only a few steps will be required to enter our well-lighted building.

"Once inside, every item is easily accessible. When we say every item, we mean just that, for there is a large grocery department, butcher shop, delicatessen, wine and liquor store, produce section, drug counter and light hardware display.

"After selecting a basket on wheels, the ladies will find that it requires very little effort to see just what is wanted and to get to the desired location. The aisles are roomy, hence there shouldn't be any traffic jams.

"Following the final choice, the customers will go to cashier counters, and there will be enough of them to insure the greatest speed possible. We hope to arrange it so

New Belli Market

(Continued from Page 1)

that there will be no delays at this point of the procedure.

"Then again, we have installed the best and most efficient refrigeration systems on the market. The butcher's cooling plant will be not only something to see but will insure the last word when it comes to freshness. Again, the Reach Ins for the groceries and produce are the right height and maintain freezing temperatures."

In closing, Joe Belli said that to understand just what he means, people will have to come and see for themselves. Therefore, he extended a cordial invitation to everyone to pay him a visit next week.

WSC Alumni To Hold Dance

Bay area alumni of Washington State College will celebrate the 30th anniversary of the founding of the university at a dinner dance at the Fort Mason officers' club on Friday, March 31, according to Kenneth E. Gallagher, San Francisco, newly-elected president of the alumni organization.

Other newly-elected officers of the association which numbers 1,000 alumni in the bay area are: L. E. Knoblauch, San Mateo, vice president; Mrs. Clinton Gould, San Francisco, secretary, and Don Mason, San Francisco, treasurer.

Reservations for the dinner-dance on March 31 may be made with Mrs. Gould at 715 Cayuga street, San Francisco, telephone JUniper 5-1262, prior to March 21. Mrs. Gould also is seeking the names and addresses of bay area alumni for inclusion in the next edition of the association's directory.

San Francisco Peaks are the highest mountains in Arizona.

El Dorado is the northernmost of the Mother Lode counties.

Death Valley occupies nearly 2,000 square miles in Inyo county.

California is the chief source of natural sodium sales in the nation.

San Francisco Presidio is America's largest military post within a city's limits.

"A pair of socks and a portable radio. . . . Who do we have with us, one of them idle rich?"

Happy Birthdays!

Harry, the "happy baker," wishes the following people the best on their coming birthdays:

March 17 — Mrs. D. R. Trivokis, 1023 Washington; Dorothy Regna, 160 Bruno; Mark Sullivan, 123 Garden lane; Helen Reyna, 160 Bruno.

March 18 — Donna Shulda, 82 Market: Edward Taylor, 1019 Washington.

March 19 — Mrs. I. Bertini, 11 Price; George Grampaoli, Rt. 1, Box 40, Colma.

March 22 — R. Anderson, 81 Vale.

March 23 — Hal M. Hall, Box 451, Colma.

There are about 65,000 Navajo Indians.

San Bernardino county contains 20,131 square miles.

Hoover (Boulder) Dam is the third largest in the world.

FOOLISH SAVING

It's better to save a life — your own — than to try to save a few steps by jaywalking, the California State Automobile Association points out. The few extra steps to a crosswalk or intersection may mean the difference between safety and sudden disaster.

The largest stand of Ponderosa pine in the Southwest is around and east of Flagstaff, Arizona.

Women Of Moose Plan Initiation

Women of Moose Chapter No. 739 will hold their next initiation March 20.

Ruth Myres is to be the social chairman. She will be assisted by Daisy Miller, Mila Foley, Viola Montes, Jula Reynolds and Jeanette Winton.

All members are urged to attend as a giant program has been planned to greet the new members.

Refreshments will be served following the meeting.

Do You Want To Cut Your Federal Taxes?

Overlapping Bureaus

The Executive Department of the Federal Government has grown from small beginnings into a mighty colossus composed of 1,812 separate bureaus and agencies employing 2,090,554 civilian workers with an annual payroll of more than $6,000,000,000.00.

This growth was haphazard. What happened was that when a job needed to be done, an agency was hurriedly set up by executive order, or created by Congress. We are now paying for all these mistakes.

On July 7, 1947, Congress authorized, by unanimous vote, the launching of the greatest effort yet made to plan an efficient, economical government reorganization. With the approval of President Truman, a bi-partisan, twelve-man commission, headed by former President Hoover, was established. This Commission found many discouraging examples of the confusion in our government machinery, and has made concrete suggestions to correct these ills.

As matters stand, when you attempt to deal with your government, you will find 34 agencies engaged in obtaining land, 10 in Federal construction work, 9 in credit and finance and 50 in gathering statistics. A rancher desiring to pasture his livestock on public lands must obtain separate permits, each containing different terms and conditions, from both the Department of Interior and the Department of Agriculture.

The Army Engineers and the Reclamation Bureau cost the taxpayers untold millions of dollars through duplication of effort on water resources development. As an instance of this wasteful duplication, the Hungry Horse Project in Montana was estimated to cost $6,300,000. The actual cost was $93,550,000.

In New Orleans, there are 5 Federal hospitals operated separately by different branches of the government. Their joint capacity is 1,620 beds. When surveyed, they had a total of 913 patients.

If you want this waste and inefficiency stopped, write your Congressman. Write the Citizens Committee for Reorganization of the Executive Branch of the Government, 1421 Chestnut Street, Philadelphia 2, Pennsylvania, for further information. Get your neighbors to work with you in this crusade.

Kern county was named for Edward Kern, topographer of Gen. John Fremont's party of explorers.

Cooked Food Sale At Colonial Sat.

Delicious home cooked food will be on sale at the Colonial Gift Shop, 6272 Mission, this Saturday.

The cooked food sale is being held by the Church of Jesus Christ, Latter Day Saints.

But come early, as the food goes on the block at 9:30 a.m., and probably will be gone before the noon whistle blows.

Among the many items for sale will be home made cakes, pies, cookies, rolls and bread.

Here is an opportunity to make your Sunday cooking much easier, and at the same time contribute much needed funds to the church.

BUILDING

Oregon's neo-Greek classic capitol building at Salem is open to visitors all the year round and has a regular schedule of special tour parties during the busier summer months, reports the National Auto mobile Club. This modern building replaces one that was destroyed by fire in 1935.

Memorial Poppies Go On Sale May 26

Poppies by the thousands are coming from the skilled fingers of disabled war veterans at Palo Alto Vet Hospital in preparation for Poppy Day, May 26, Mrs. Peter Bordson announced today.

Mrs. Bordson is the Poppy chairman of Daly City Unit No. 410 of the American Legion Auxiliary. She is directing arrangements for the observance of Poppy Day here, when the veteran-made poppies will be worn to honor the dead of both world wars and to aid the disabled and the children of veterans. Describing the poppy-making activities at the Palo Alto hospital, she said:

"It is very interesting to see the way a veteran makes a poppy, taking petals of crepe paper and a stem of wire and shaping them into a very attractive replica of the wild poppies which grew on the battlefields and around the graves in Europe during both wars. Many veterans become very skillful in the work and can produce the memorial flowers with amazing rapidity. They enjoy the work, and being gainfully employed helps give them a wholesome mental attitude which promotes recovery.

"Being handmade, each of the Auxiliary's poppies is slightly different, varying with the maker's skill. At one time the Auxiliary used silk poppies, but the crepe paper flowers were adopted because they provide more interesting work for the veterans and can be made at a minimum cost for materials. Millions already have been made for this year's sale in hospitals and workshops throughout the country and by the time Poppy Day arrives more than 25,000,000 will be ready to be worn in honor of the war dead.

"The men who make the flowers are the only persons paid for their work in the Auxiliary's poppy program. The women who distribute the poppies on the streets are all unpaid volunteers who give their services to help carry out the purpose of Poppy Day — to honor the dead and aid the disabled."

Anderson Files For Re-election

Congressman Jack Z. Anderson (R), representative from this district, filed his candidacy for re-election this week.

A ranking member of the armed service committee of the House of Representatives, Anderson is now serving his sixth term in office.

Considered an expert on agricultural affairs, Anderson is chairman of the Agricultural Committee of the California Congressional Delegation. He is 46 years old.

He was instrumental in securing establishment of Ames Aeronautical Laboratory at Moffet Field, and location of the Naval Academy at Monterey.

Opposing Anderson in the June 6 primary will be Arthur Johnson (D) of San Jose.

Artificial Stow Lake in San Francisco's Golden Gate Park holds 25,000,000 gallons of water.

FIREMEN, SAVE MY PUPS—Trixie counts noses to see if her three pups are safe after a fire destroyed the Milwaukee, Ill., home of her owners, Mr. and Mrs. Leonard Birts. Firemen rescued the pups as Trixie waited anxiously on the doorstep.

Three Children Admit Thefts

Picked up by police last Friday, two girls, 8 and 9 years old, respectively, and a 7-year-old boy admitted a series of petty thefts here over the past six months.

The youngsters were apprehended in a local market after they attempted to shop-lift some small grocery items, police said.

When questioned the local children admitted taking everything from book dolls to hot dogs in Daly City since late last year. All the thefts were minor.

Police turned the children over to the juvenile authority.

Lassen county, named for Peter Lassen, a pioneer settler, was created in 1864.

The copper mines of Butte, Montana, extend more than 4,000 feet into the earth.

Two Daly City Men Join Navy

Enlisting in the navy this week were two Daly City men.

They are: James Watters Harrison, 287 Hillside boulevard, and Russell Francis Mills, 225 Wyandotte street.

Harrison is the son of Lcd. and Mrs. John M. Harrison. Lcd. Harrison has served in the navy for several years. He is a graduate of Jefferson high school and will receive his recruit training at the naval training center, San Diego. Upon completion of recruit training he will be home to visit relatives and friends in Daly City.

Mills, a former navy man, had been residing in Daly City for the past year. He owns his own home at 225 Wyandotte street where he is presently residing with his wife Rosemary. Mrs. Mills will stay in Daly City until he receives a permanent duty assignment.

Many opportunities are open for young men and ex-service men who can meet the requirement for the navy. For further information contact your U. S. Navy recruiter, at San Mateo post office building, San Mateo. Phone DI 4-2781.

Sulfur is said to modify bacteria in the soil.

Passing Of A Publicity Man

By Ridgely Cummings

Death is not a nice subject to write about but I suppose when a man wants to write he has to write about the thing that is on his mind.

A friend of mine died yesterday. He wasn't the intimate sort of friend that you borrow money and car keys from and invite to sleep on the cot in the children's room but he was someone I had known for quite a while and had admired and respected.

I was riding on a Key System train when I learned about his passing. I had a newspaper on my knees and a cigarette going and had just finished reading all there was on page one about the Bridges trial. As I thumbed through the pages looking for the runover I saw my friend's name in a headline.

I kept turning the pages, idly wondering what he was up to that made news and mentally noting that I would turn back and read the story about his as soon as I had finished with the other one. Then I stopped, remembering the old adage that a newspaperman or publicity man writes the news but does not make it, and turned back.

The headline said that he had died suddenly of a heart attack. He was in his forties, not very old unless you are only in your teens yourself.

I looked out the train window but scarcely noticed the black girders of the Bay Bridge whizzing by and the lights of a ferry boat chuffing from the Oakland mole to the foot of Market. I was remembering back to the last time I had seen him, just a few days before. He had looked fine but now that I thought about it he had been in a hurry and just had time for a casual greeting.

UNDER PRESSURE

He was a busy man and worked under constant pressure but he always had time for a cheery word. He was in a position where he could do favors and he had done a few for me, further taxing his overtaxed energies although I didn't realize it at the time.

I sat there and looked out the window and thought the usual thoughts one thinks at a time like that. You know what I mean? Selfish thoughts.

I thought that he was an ex-newspaperman and a publicity man and I am the same thing on a smaller scale and here he kicked the bucket just when he was climbing to the apex of the heap and becoming one of the top three men in his profession in town. I rated him number two but there were others who even two years before had judged him number one and he had progressed since then.

So you work hard and make good money and live in a whirl of activity and meet too many people and give something of yourself to everyone you meet. If you're an introvert, and most writers are or they wouldn't feel the urge to sit down alone somewhere and try to communicate with the world by putting their thoughts on paper, if you're an introvert then meeting lots of people is one of the most wearisome things you can do. They take it out of you, although a few at a time are fine.

URBAN LIFE

Now I know another chap of the opposite type, an out-and-out extrovert, who thrives on meeting people. He can shake hands and exchange pleasant words with two hundred men and women at lunch, calling most of them by name, an ordeal that would leave me limp and ready for the showers, and come back to his office beaming and energetic as a man just out of a Turkish bath and rubdown.

I thought of this and I thought about the office-holders the dead man had helped elect and the promotions he had handled and I wondered what it all adds up to. Not that it's all in vain. Many of his campaigns had been for worthy causes and I wouldn't want to imply that he hadn't been a success for he had.

It's just that when a man is dead you suddenly find yourself remembering the little things about him and not the big things. It's not the achievements listed in the obituary that make the man but the small, friendly, day-by-day acts that linger in memory.

So another friend has passed and you feel a little older and you tell yourself it's time you slowed down and took it easier because the high pressure boys don't last long.

Then you note the time and place of the funeral on your desk calendar and proceed to work twice as hard and fast as before so you can arrange your schedule to be there. What a world. Makes you think maybe Henry David Thoreau with his back to nature philosophy really had something.

Prescott was the first capital of Arizona, in 1864.

San Francisco's park system covers one-ninth of the city's area.

Job Folder Ready For Vets

The basic things a veteran should know about the special services to which he is entitled when he is looking for a suitable job are summed up in a new folder obtainable from the Veterans Service Office in the courthouse, Redwood City.

The folder defines "veteran" and "preferential treatment" (disabled) veteran as classifed for California State Employment Service purposes; lists the types of special services available, including priority in referrals, employment counseling, and assistance from veterans employment representatives, and explains in nontechnical terms the procedure followed by CSES in handling a veteran's application.

Floyd D. Granger, veterans service officer, said the folder was published by the State Department of Employment in response to a generally expressed need. The statewide Veterans Advisory Committee to the Director of Employment, consisting of California commanders of four leading veteran organizations, assisted in the preparation of the folder.

Veterans should read this concise folder before applying for job placement through the CSES, in Granger's opinion. Copies are available at the Veterans Service Office in Redwood City, and also at the State Employment Service at 30 North B street, San Mateo, and 215 Linden street, South San Francisco.

Navy Offers Electronics

A 42-week course in the operation and maintenance of electronic equipment including television and radar is being offered to qualified young men by the Navy recruiting service.

This course is given at the Navy electronics school at Treasure Island, San Francisco. Young men may, without obligation, take the mental and physical tests required to determine if they are qualified for this course. The electronic course is one of the many training courses offered young men under the Navy's trade school training program.

For further information on the Navy's electronic training program, visit or phone the Navy recruiting station, Post Office building, San Mateo, phone DI 4-2781.

Register Now To Vote In SM County Primary

Registration deadline for voters in the San Mateo county June 6 primary is April 13, Tom Bocci, candidate for the South San Francisco judgeship, reminded local residents today.

Those wishing to vote in the election must be registered. This can be done by visiting the city clerk's office, city hall, any time before April 13.

Bocci asserted today that it was everyone's duty "as loyal American citizens" to register to vote.

"Your right to citizenship in this great country of ours demands that you assert your prerogative to vote," Bocci said.

The Daly City attorney pointed out that almost 95 per cent of the Russians recently turned out for a general election, despite the fact that they had no choice but to vote for the government's candidates. These people, although enslaved politically, at least realize the right of a vote, Bocci said.

"With half the world in chains, Americans should value the heritage which has made them a great, free people. It is this realization that will save this country from some day being allowed to vote only a one-party ticket," Bocci noted.

He urged everyone to register now, to exercise the vote, to see that the men who stand for principals of integrity and honesty are elected

Vets -- Apply Now For Exemptions

These are busy days for the city clerk's office, as hundreds of veterans apply for property tax exemptions.

In case you are a veteran, by way of a reminder, you are entitled to an exemption of $1,000 on the assessed value of your taxable property.

As a vet, you have until May 29 to file for this exemption.

This may be done by coming to the city clerk's office in the city hall, Daly City. As a deputy assessor, this office can take claims from any resident in the state, including all the area around Daly City.

Navajo Indian men are expert silvercraftsmen.

S.F. St. Patrick's Day Parade Sunday

It will be a great day, not only for the Irish, but for just about everyone else in the San Francisco Bay Area.

More than 2,000 troops, dozens of bands, hundreds of horsemen, and marching units and floats representing scores of fraternal and civic organizations will make the March 19 St. Patrick's Day Parade the liveliest and most colorful pageant ever held in San Francisco.

Altogether, nine divisions will march up Market street, led by Governor Earl Warren and Mayor Elmer E. Robinson. Prancing ahead will be Mike (Don Gaspar) Desiano, mounted on his valuable palomino, Amigo, and wearing his $35,000 worth of gear. Immediately behind will follow cars carrying the Board of Supervisors.

TEST YOUR I. Q.

1. By what other names has the White House been known?
2. In what place is Kamehameha Day celebrated?
3. How big was the largest lake trout ever caught?

4. Who was the world's leading all-around cowboy in 1949?
5. Is the knot a measure of time or distance?

OREGON'S CAPITOL

OBEY ARTERIAL STOP SIGNS

The wise motorist obeys arterial stop signs at all times, declares the National Automobile Club. That does not mean that he merely slows down, quickly shifts into second gear, and then dashes off again. The signs say "Stop" and are put there for safety's sake. And for his own sake, each motorist should come to a full stop before proceeding on his way.

Answers to TEST YOUR I. Q.

1. The White House has been called the President's palace, and later the President's house; now it is known as the executive mansion.
2. In Hawaii, June 11.
3. An 80-pound trout brought in at Mackinaw, Mich., in 1878, is the largest ever caught, according to the World Almanac.
4. Gene Rambo, according to the point award system of the Rodeo Cowboys Association.
5. Both; the knot is a measure of speed, representing one nautical mile an hour.

Bordson Speaks On Hospital Building

(Commander Bordson discusses the Hoover Commission Plan to transfer veteran hospital construction to the Department of Interior in this fourth article of his series in which he presents the view of The American Legion on the proposal to drastically reshuffle the handling of veteran affairs.)

By Commander Peter D. Bordson
Daly City Post No. 410
The American Legion

The present government hospitals for veterans in the United States are the finest in the world because they were built under the direction of the Veterans Administration which is a specialist in veteran affairs.

Proper hospital construction requires a close working relationship between those who construct and those who design to meet medical requirements as well as with those who will be responsible for maintenance and the building of additions and betterments. This relationship now exists in the Veterans Administration.

The Hoover Commission now proposes to transfer the hospital construction function to the Department of the Interior. This is a department created in the frontier period to open up and to promote new Western territory. It has to do with reclamation projects, irrigation, boring tunnels through mountains, building dams, maintaining national parks and such other varied jobs.

The effect of the Hoover Plan would be that the Department of the Interior, utterly unfamiliar with medical needs, would build all future hospitals for the VA. But its interest in a hospital would cease once a new building was completed. The VA would then be required to maintain an engineering and architectural staff to plan and supervise the betterment and repair of the hospitals. The Department of the Interior would maintain a similar staff to perform similar functions in the building of new hospitals. All this duplication would be done in the name of economy and efficiency!

Task Force Indictment

Although the Hoover Commission proposes to turn over the VA hospital construction to the Department of the Interior, the Commission in another report itself scored that department for its apparent inability to properly estimate the cost of proposed construction. On page 6 of its Report on the Department of the Interior, it charged that the Department was guilty of inadequate evaluation and underestimation on such vast jobs as the Colorado - Big Thompson Project in which its estimate was $44,000,000 and actual cost was $131,800,000. It estimated $6,300,000 as the cost of the Hungry Horse Project in Montana which actually cost the taxpayers $93,500,000.

The Hoover Task Force which made a study of the Department of the Interior, was even more critical. Here is a startling quotation by this Task Force:

"Some of the current arrangements between engineering agencies and services, including especially the Bureau of Reclamation and the Army Engineers, smack of collusion rather than cooperation and of neat devices to avoid competition in getting into the Congressional pork barrel."

The Hoover Commission also failed to tell the whole story when it commented on the medical activities of the Veterans Administration and inferred that VA hospitals now cost from $20,000 to $51,000 per bed as compared with an estimated cost of $16,000 per bed in private hospitals. The Hoover Commission did not see fit to explain that included in the VA hospital bed cost is also the cost of quarters for nurses and attendants, of a chapel, of a recreation hall, of large administration offices and of complete therapy facilities of all kinds. Very few, if any, private hospitals have there things. If you deduct the costs of these extras, then the VA hospital per bed cost is not out of line with the cost of a bed in a private hospital.

My next article will take up the Hoover Plan to set up a special new corporation to take over the handling of all government insurance matters.

Young Doris Murrillo shows film actress, Barbara Hale, how far she has progressed under treatment by the local Crippled Children's Society. Looking on is occupational therapist, Lily Thye. The 1950 Easter Seal campaign to raise funds to care for the county's handicapped youngsters is currently underway and will continue until April 9.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

CATFISH — No closed season. Bag and possession limit: 15 pounds and one fish in the aggregate. Minimum size limit: 9 inches in Clear Lake; 10 inches in District 22; none elsewhere. Night fishing permitted in District 22, Siskiyou, Shasta, and Modoc counties.

STRIPED BASS — No closed season. Bag limit: five fish or 25 pounds and one fish, or two fish regardless of weight. Minimum size limit: 12 inches.

BLACK BASS, SUNFISH, CRAPPIE, SACRAMENTO PERCH — Closed until April 29 in all counties north of Mono, Madera, Fresno, Kings, and San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limits: 5 black bass, 25 sunfish, crappie, perch. No size limits.

OCEAN FISH — No closed season except for grunion and salmon, now open. Bag limits: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass, kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

ABALONES—Opens March 16. Bag and possession limit: 5 per day. Minimum size limits: red abalone, 7 inches; green, 6¼; pink, 6; black, 5.

EVANGELIST

Rev. S. E. Nothstine

Evangelistic Meetings Now At Local Church

Now delivering a series of evangelistic messages at the Grace Church of the Nazarene, 101 Vista Grande avenue, is The Rev. S. Ellworth Nothstine.

The evangelistic meetings, which start Wednesday, will continue until Sunday, March 26.

Reverend Nothstine, an outstanding minister of the gospel for 14 years, is also a talented musician. Some of the themes for his nightly sermons are: "The Other End of the Rainbow," Walking With Christ," The Three Startling Facts," "God Is Still on the Throne," "Holiness — God's Ideal for Eternity."

Besides the stirring messages, special music and songs, an added attraction will be the paintings which will be painted by Mrs. Selma Nicholson, "speed artist." Some of the illustrated hymns that Mrs. Nicholson plans to paint are: "The Old Rugged Cross," "Church in the Wildwood," "Beyond the Sunset," "Jesus, Savior, Pilot Me," and "Whiter Than Snow." These colorful paintings will be given away each night to the person bringing the most people to the services.

The public is invited to attend these services. Evening services will begin at 7:30 p.m. Sunday morning services will begin at 11 a.m.

Coyote Point Housing Units May Close Soon

Coyote Point may soon be closed down as a government housing unit.

San Mateo's Mayor Daniel J. Creedon announced this week the city council will meet with the board of supervisors at the earliest possible date to "establish a deadline" for the project's closing.

The closing will operate along the procedure of closing up each unit as it becomes vacant and taking no more rentors. No definite deadline for vacating the premises can be set.

FROZEN BRAKES

In cold climates brakes may freeze and prevent the car from moving unless certain precautions are taken, says the California State Automobile Association. If brakes are wet, an effort should be made to dry them by application just before parking. When parking, seek a flat place and block the wheels securely, but do not set the hand brake. If the hand brake is set the lining may freeze to the brake drum.

The nation's only municipally owned cpera house is in San Francisco.

KEEP GAS BILL DOWN

It is worth remembering on the long motor trip that the gasoline bill is smaller if your driving is at a steady pace along about the car's normal cruising speed, states the National Automobile Club. High speed results in vastly increased fuel consumption and acceleration is another phase of operation that eats up the gasoline.

Supervisors Approve Plan For Crime Bureau

Creation of a San Mateo county central record crime bureau was the principal business transacted at the regular meeting of the San Mateo board of supervisors Tuesday, March 7.

The bureau will be under the direction of the sheriff's office for dissemination of criminal information to all police departments in San Mateo county. Cost of operating the bureau, to be located opposite the Redwood City courthouse, will be $725 a month. Funds for the operation are now available in Sheriff James J. McGrath's budget.

The new bureau will provide more efficient and closer cooperation on the Peninsula, Police Chief William L. Mather, San Bruno, said.

Also discussed was the child guidance clinic in Burlingame. There is a question of whether or not taxpayers' money ($30,000 a year) can be used for the maintenance of the clinic.

Election Officers Needed For Coming Primary Election

County Clerk W. H. Augustus today advised that Applications to Serve as Election Officers have been placed in the mail to all persons who served at the 1948 General Election.

"As many new precincts have been created throughout the county due to the tremendous growth in certain areas, the services of more persons as election officers will be required than ever before in the history of the county," said Augustus.

In addition, many vacancies will occur on various boards throughout the county due to the inability of those who have previously served to again act at the forthcoming election.

Persons desiring to assist in the conduct of the June 6th Primary Election in their locality should make application to do so immediately as appointments to the precinct boards must be completed by the fore part of April.

Application forms for this purpose are available at the offices of all city clerks in the county or may be obtained at the Election-Registration Department, Court House, Redwood City.

Augustus urged that all eligible and qualified persons offer their services to assure early completion of the precinct boards and the proper conduct of the election.

"The final date for registering to vote at the June 6th Primary Election is April 13, less than a month away—SO DON'T DELAY, REGISTER TODAY," stated Augustus.

"Hamlet" Coming To Crest Theatre March 29 to 30

The film masterpiece of all time, "Hamlet," is coming to the Crest Theatre, School near Mission, at reduced prices for two days only, March 29 and 30.

Until recently, the academy award picture has been showing at special, high prices in all leading theatres in the Bay Area.

Starring Lawrence Olivier, the Shakespearean classic is filmed in the finest tradition of the theatre. No undue liberties were taken with the play, and consequently those in the audience see it much as was seen when first produced in England several hundred years ago.

And without any doubt Olivier is one of the finest living Shakespearean acors, as are all those who assist him in the movie.

This is a movie no one will want to miss.

A special matinee is to be given Wednesday, March 29, at 12:30 p.m. for all students in the greater Daly City area. Those students wishing to attend are advised to see their teachers for particulars. The students will be given a special reduced rate, D. E. Albin, manager, said.

The general admission price will be $1.20, with a children's rate of 50 cents. The price of the special student's matinee will be 75 cents.

Further details on the film will be in next week's Record.

WILD PIG AND BOAR — No closed season. No bag limit. Night hunting prohibited. Traps prohibited in Monterey county. Hunting licenses required.
